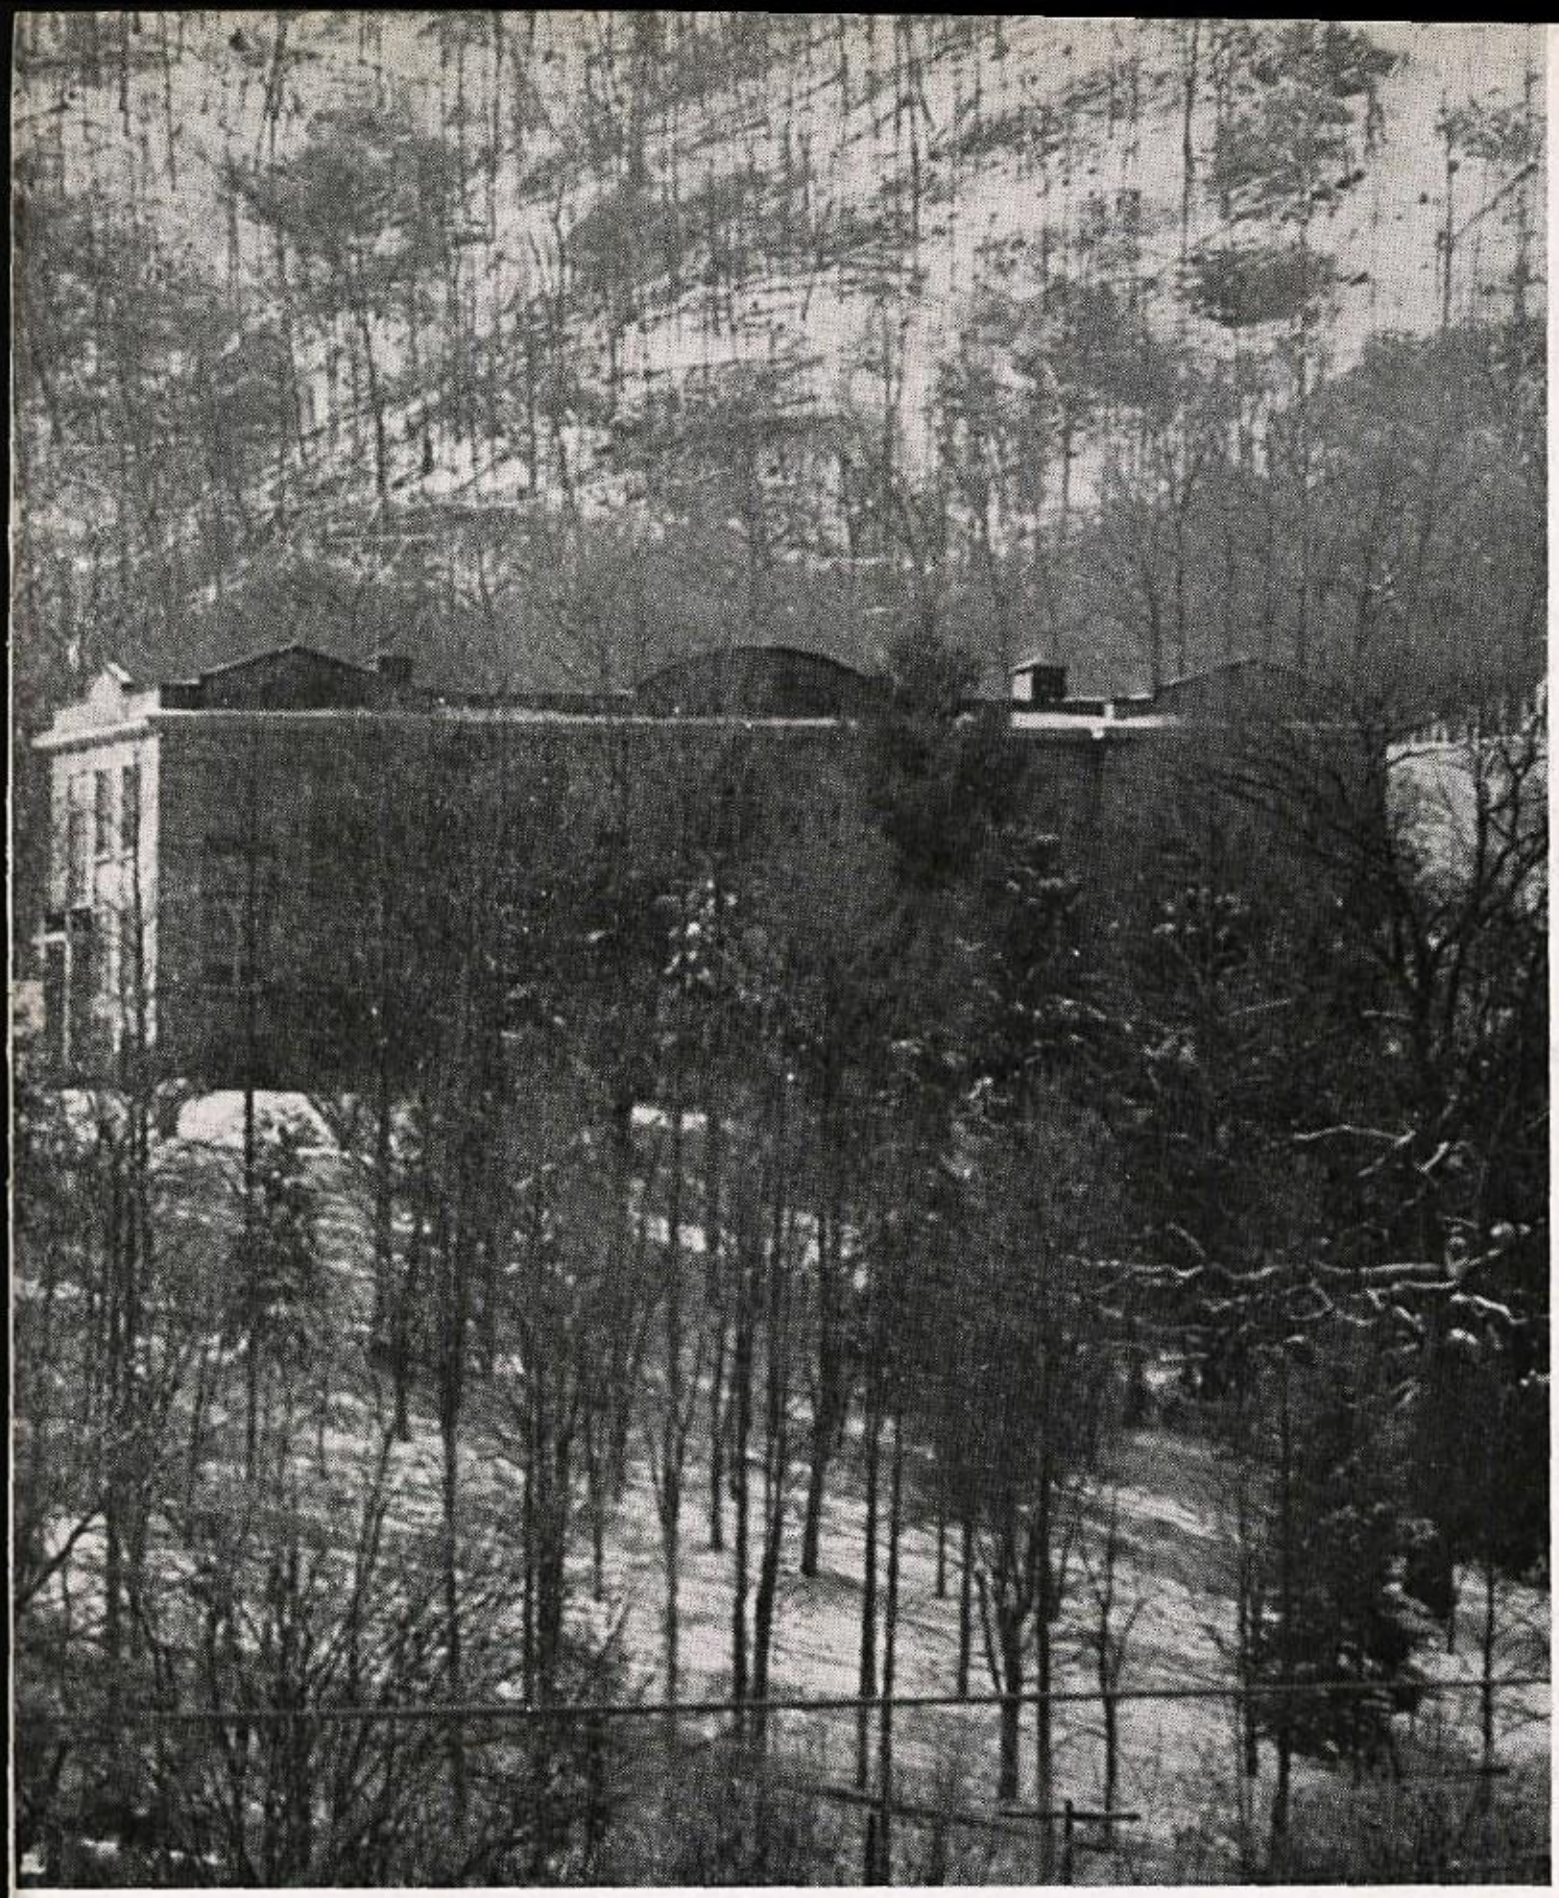
Nichlosean

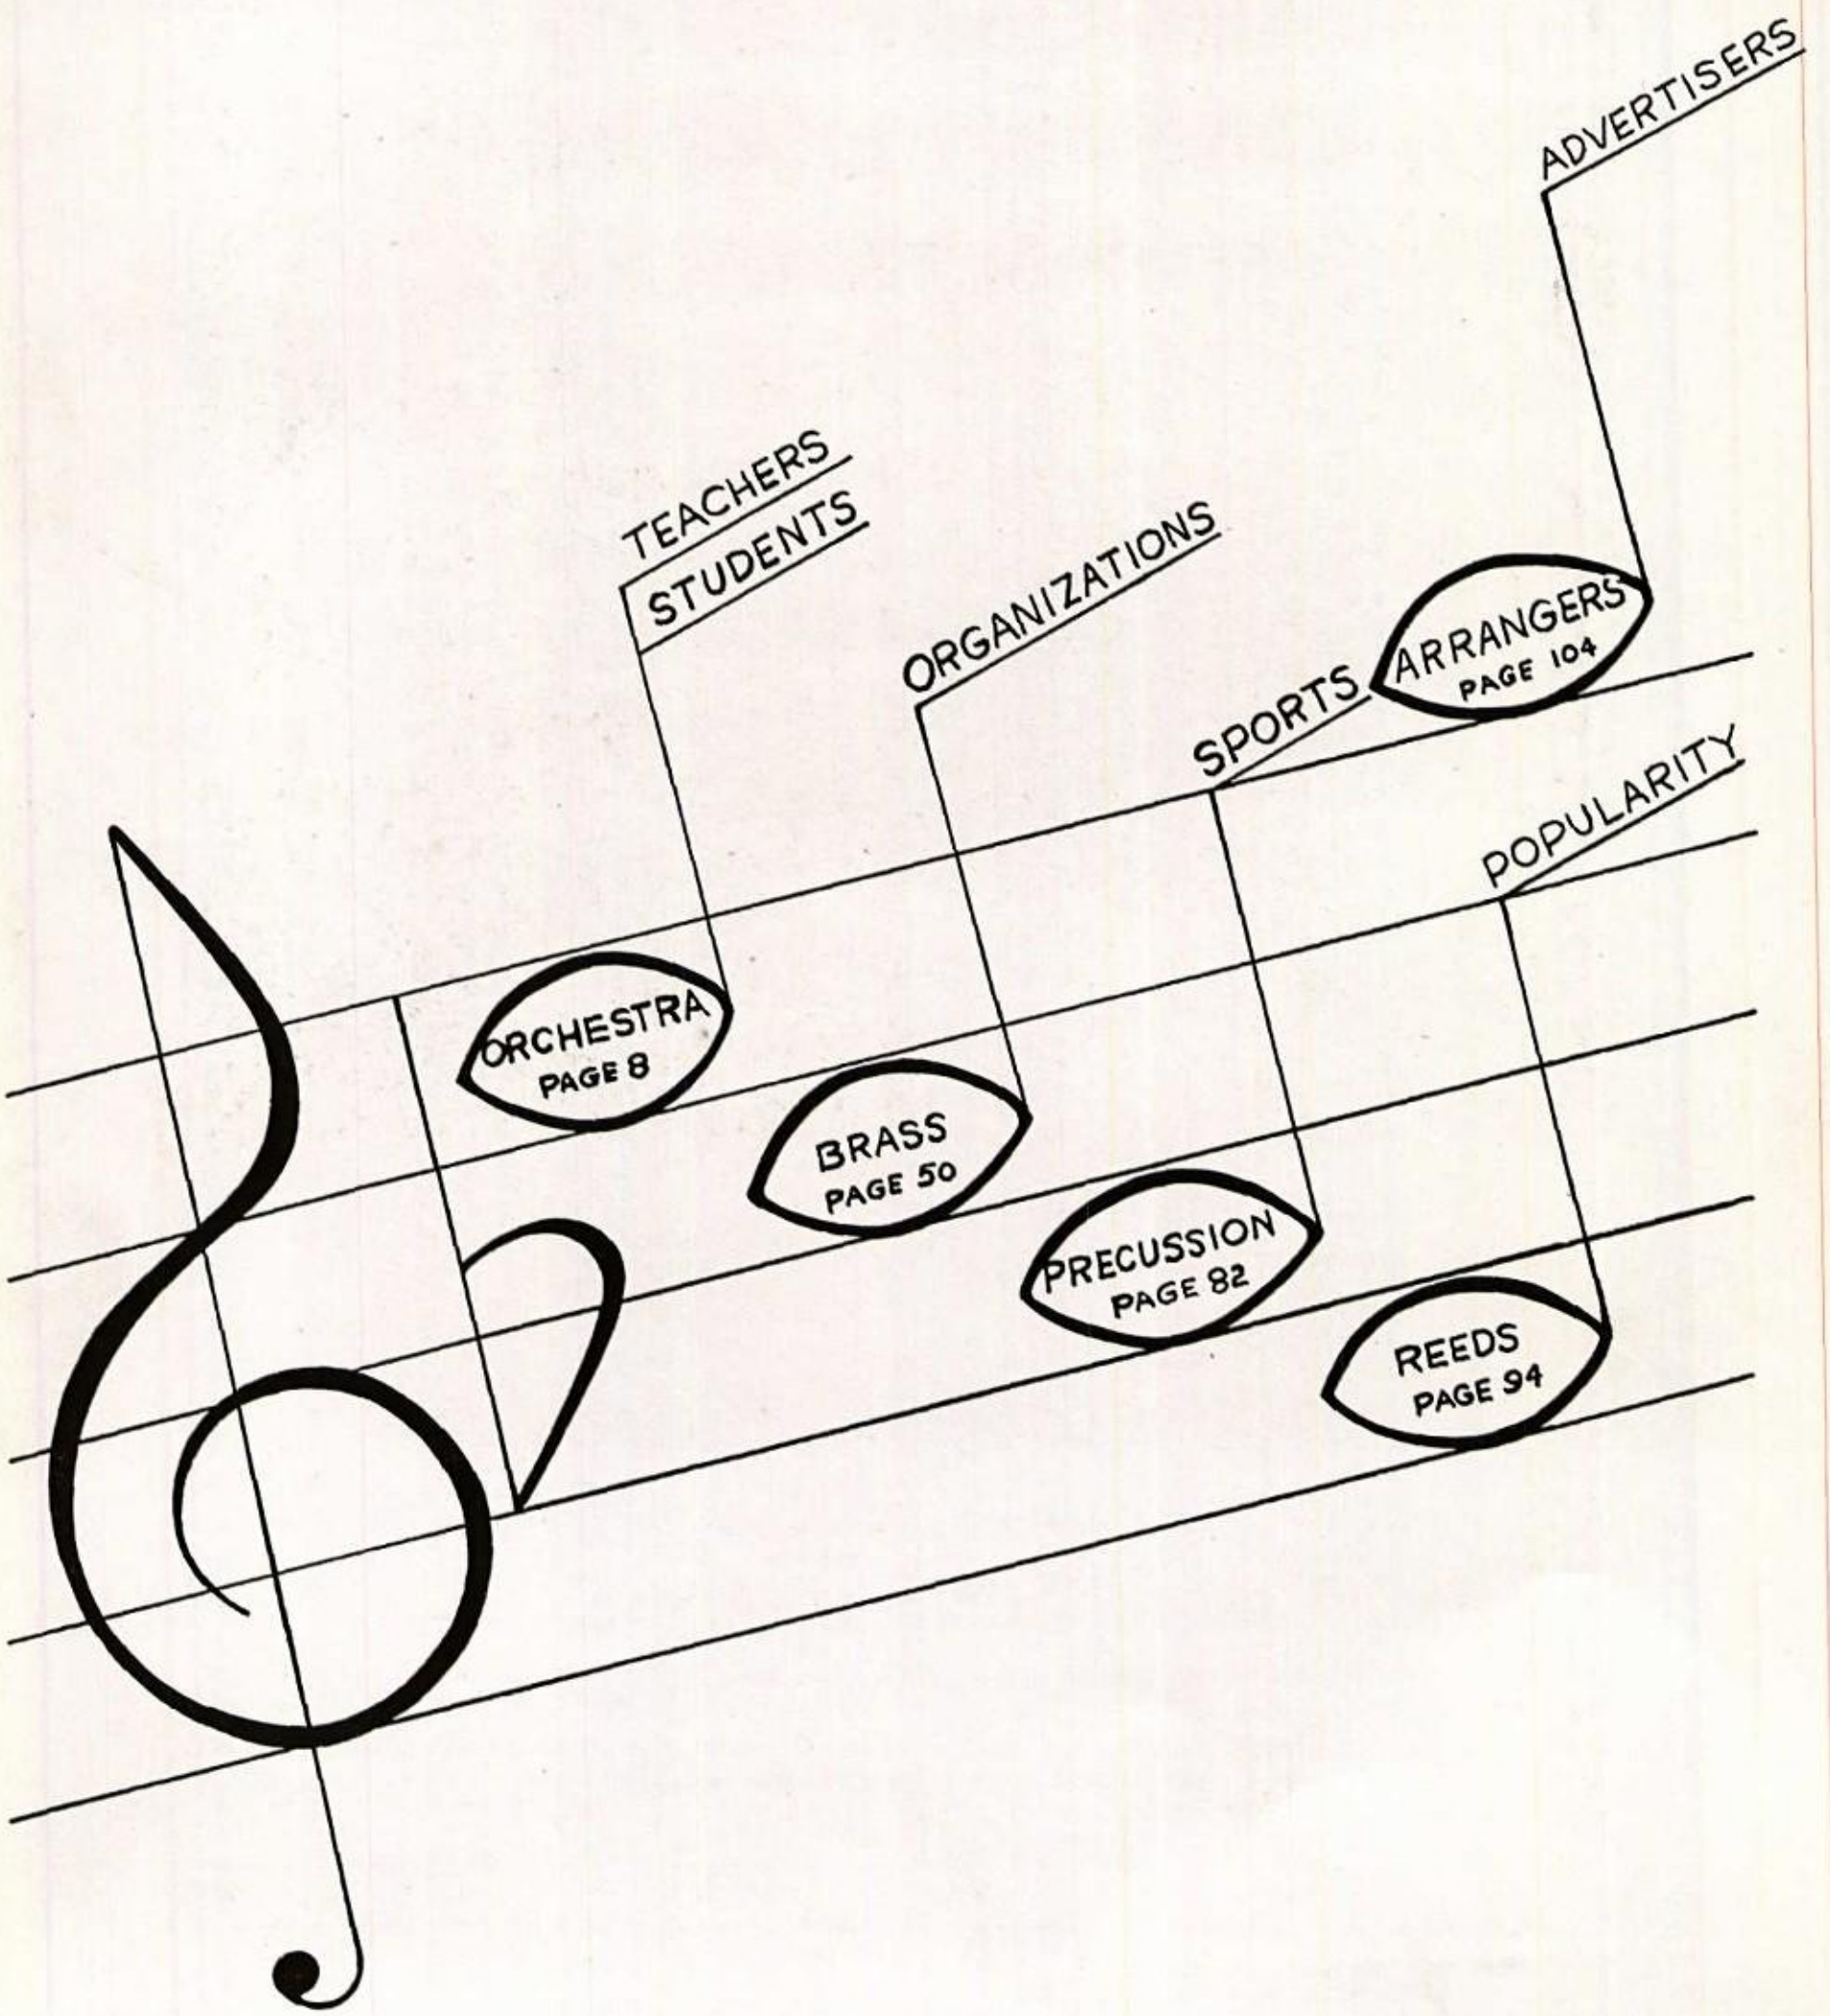
NICHOLAS COUNTY HIGH SCHOOL, Summersville, West Virginia

Stages for our great orchestra are forever changing around NCHS. First as an added attraction, after several years we acquired a new gymnasium to develop our physical well being; and now a new science building is underway to develop our mental abilities. On the six stages found on our campus the mighty orchestra presents a wide and varied composition.



THERE'LL BE SOME CHANGES MADE (CONT'D)

Table of Contents



No matter how perplexing or puzzling our problems, you sponsors always "stuck in your noses" and came up with a solution. Because of your willing and untiring efforts to solve our many problems and help our class in so many ways, it is with the greatest pride and gratitude that we, the senior class, dedicate this 1960 Nichlosean to you seven wonderful sponsors: Miss Vergie Groves, Bernard Poole, Mrs. Mary Neal, Mrs. Nancy Brown, Carl Cook, Dexter Dotson, and Miss June Beamer.

We deeply appreciate the many hours you spent to help our class, as well as the many other students not in our class. We remember how willingly and untiringly you worked on big or small occasions. You worked to make our prom and many other activities a success. You were forever encouraging, guiding, and directing us to reach for higher goals.

By your wonderful help and guidance, you made our four years of high school a world of wonderful memories. It is with the deepest appreciation that we dedicate this 1960 Nichlosean to you, our wonderful friends and sponsors.

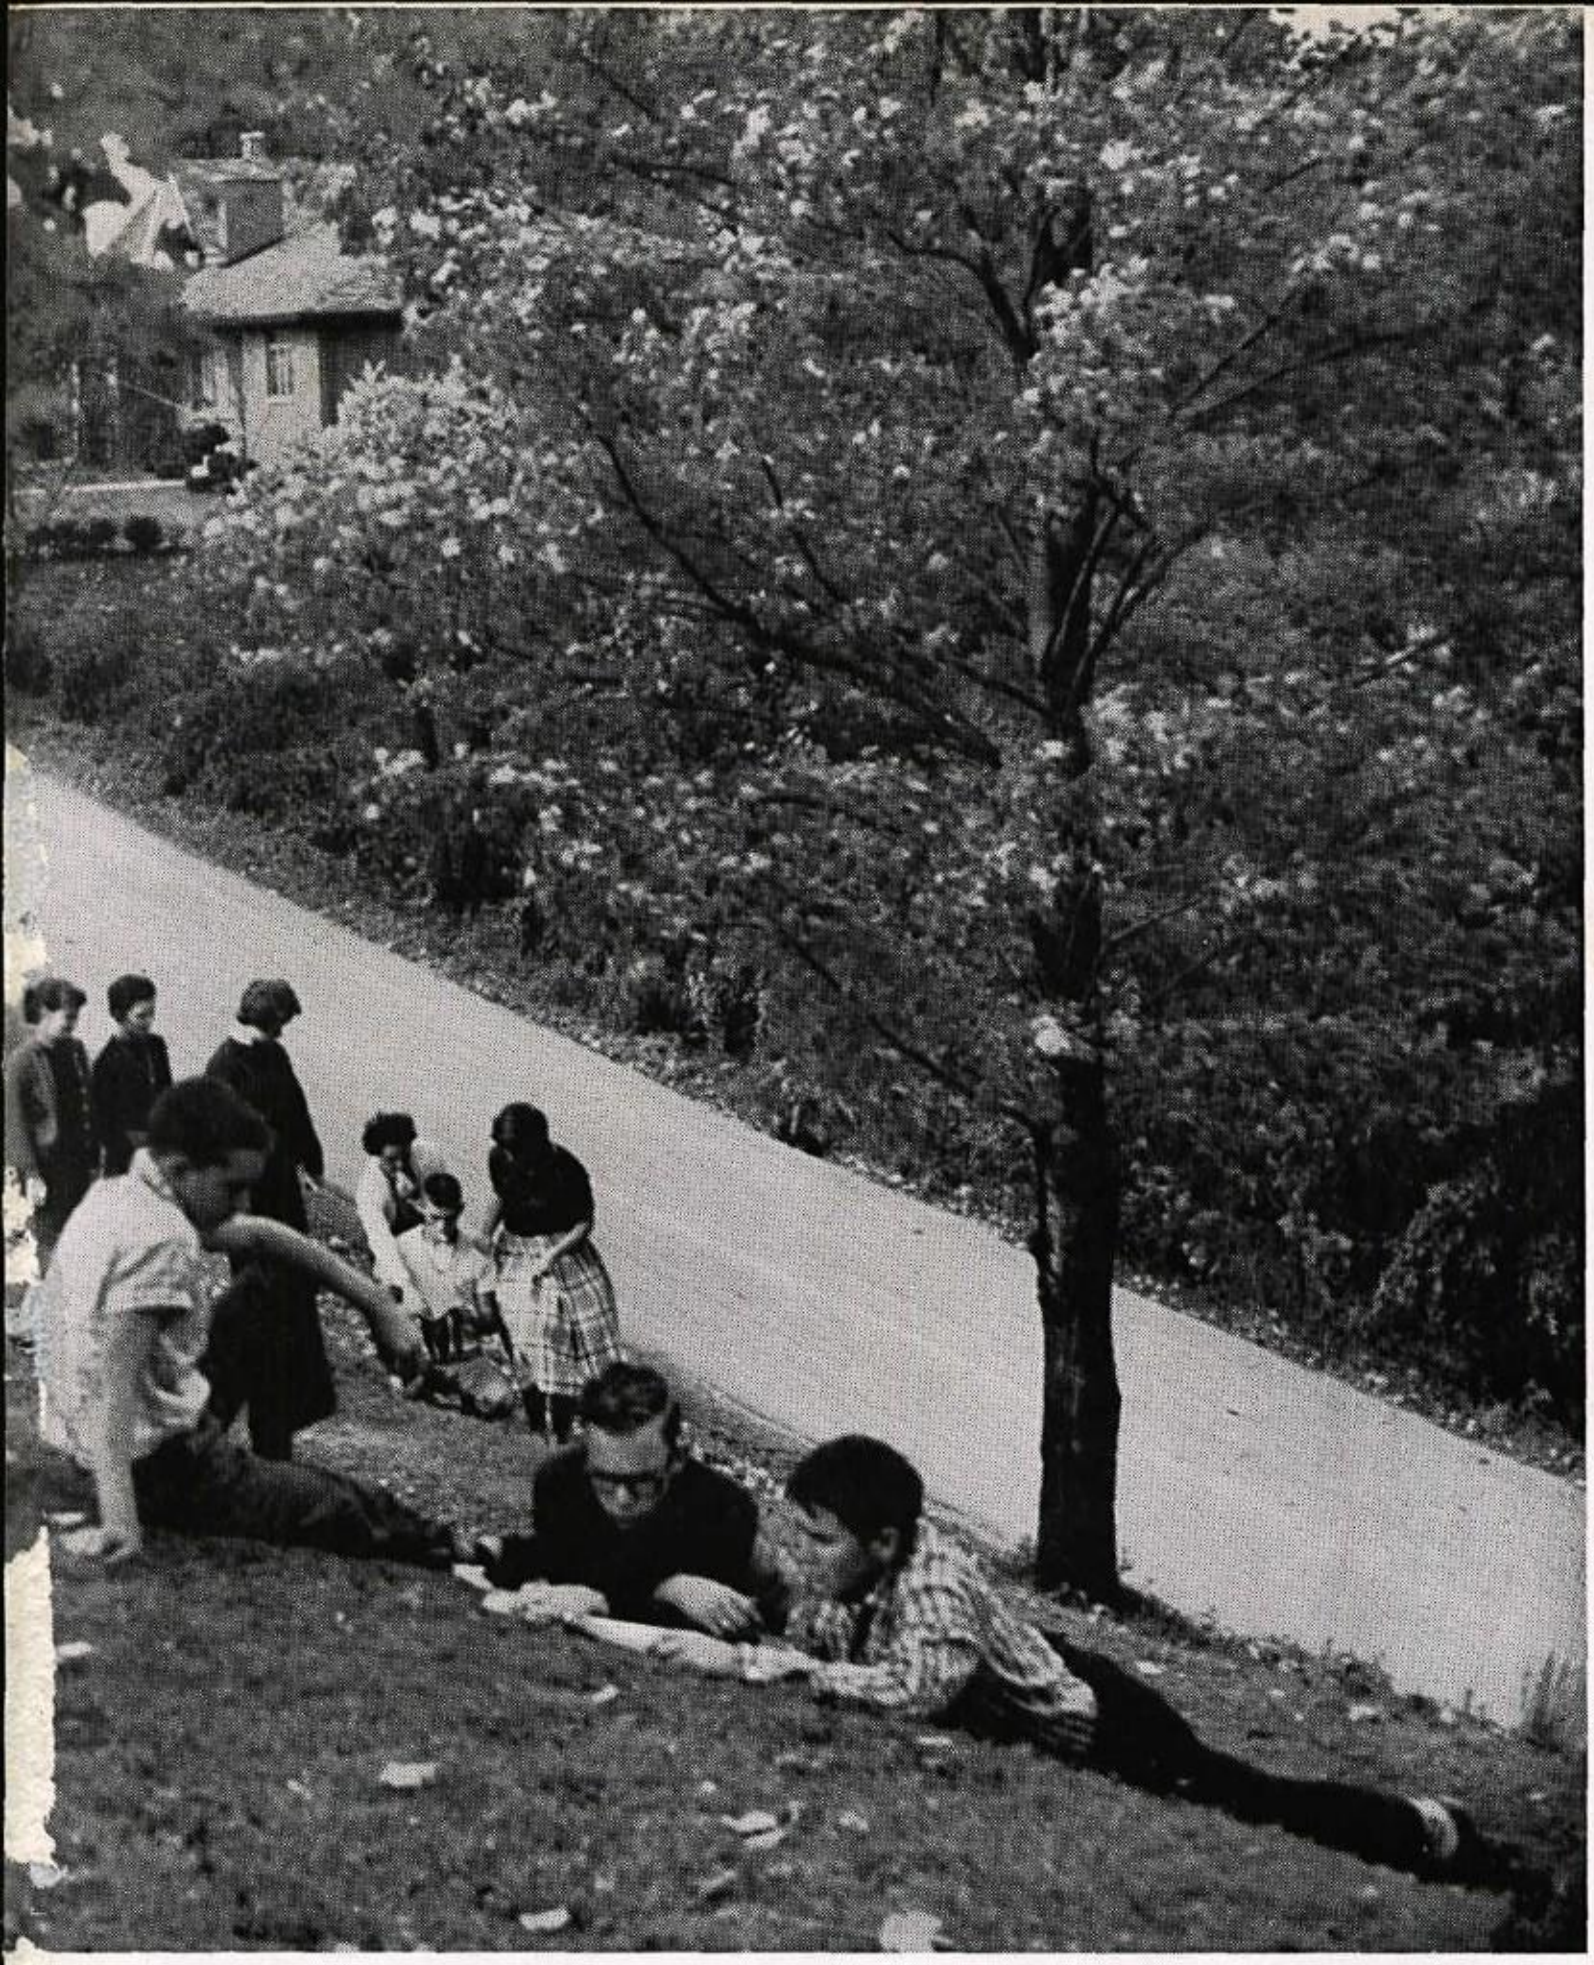
Persons - Indeed!!

On September 2, Conductor C. P. Wells
raised his baton and from the mighty orchestra came the familiar strains of "Hail, Hail, the Gang's All Here." The gang was here and for a full year, we worked and played together.
In the daily sectional rehearsals, we were
directed by the first chair players–the teachers.



HAIL! HAIL! THE GANG'S ALL HERE

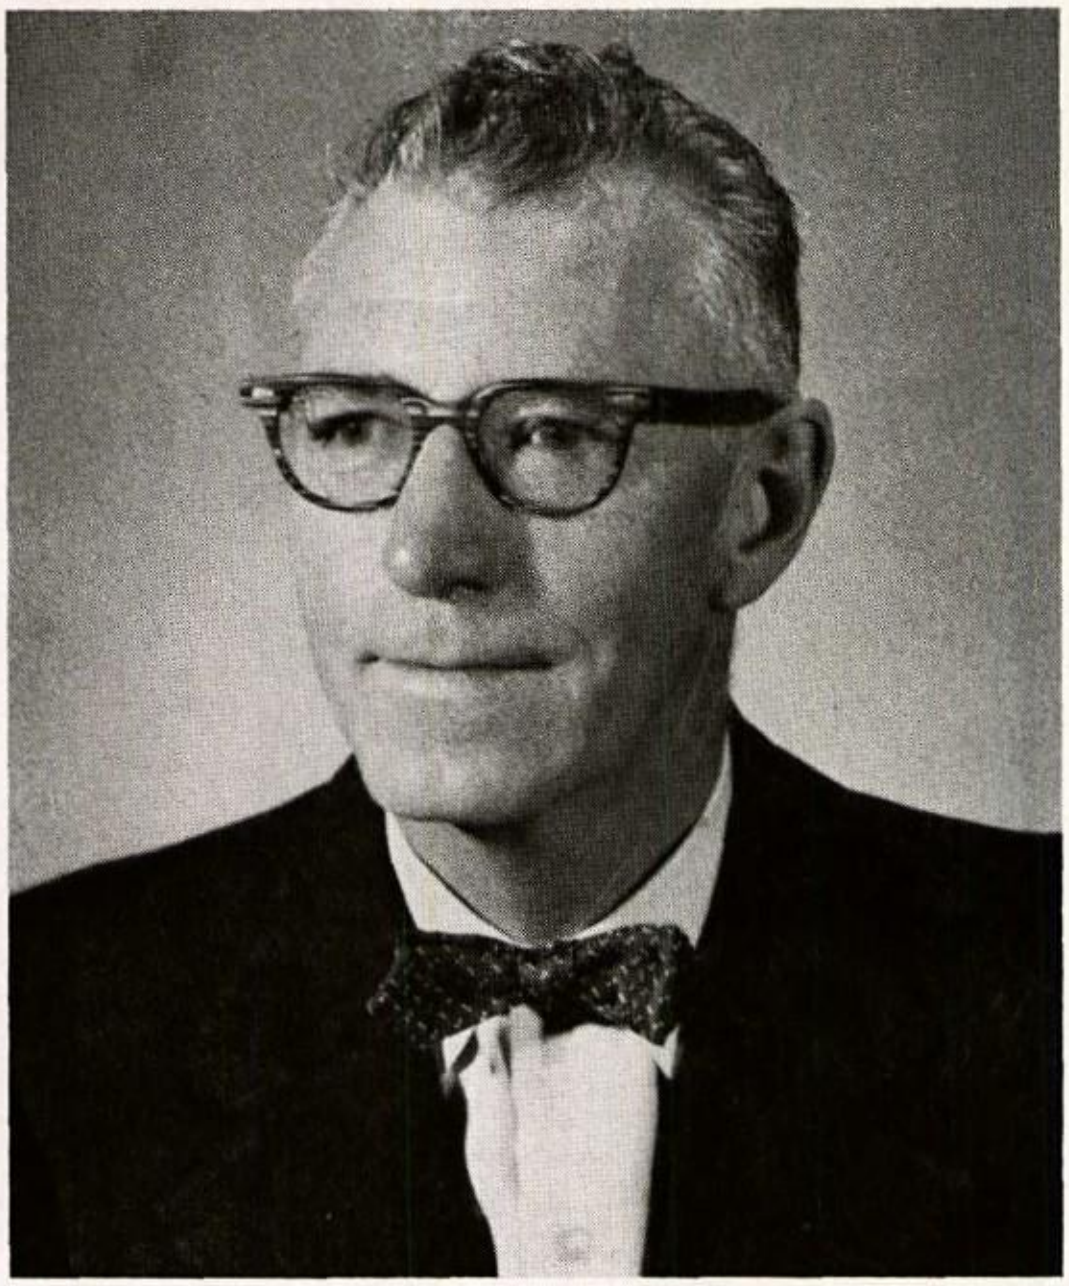
"Education is of great value to all people." With this thought in mind, Principal C. P. Wells sets certain aims for each school year. For ten successful years he has been principal and has seen many students pass through these doors into the world of opportunity.

Principal Wells received his AB degree from West Liberty State Teachers' College and his MA from the University of Pittsburgh.

Before coming to NCHS, he was principal at Reader and Romney High Schools. He also served as county superintendent of schools in Webster County.

Besides his duties here at school, Mr. Wells is a member of the Executive Committee of the West Virginia Secondary School Principals' Commission of which he has also served as vice president and president; and he is a member of the Tenure-Ethics Committee of the West Virginia Education Association.

Despite his busy schedule, Mr. Wells contributes much of his time in trying to help those students who come to school only because they must, as well as the ambitious students who realize the importance of an education.



Value of Education Is Stressed

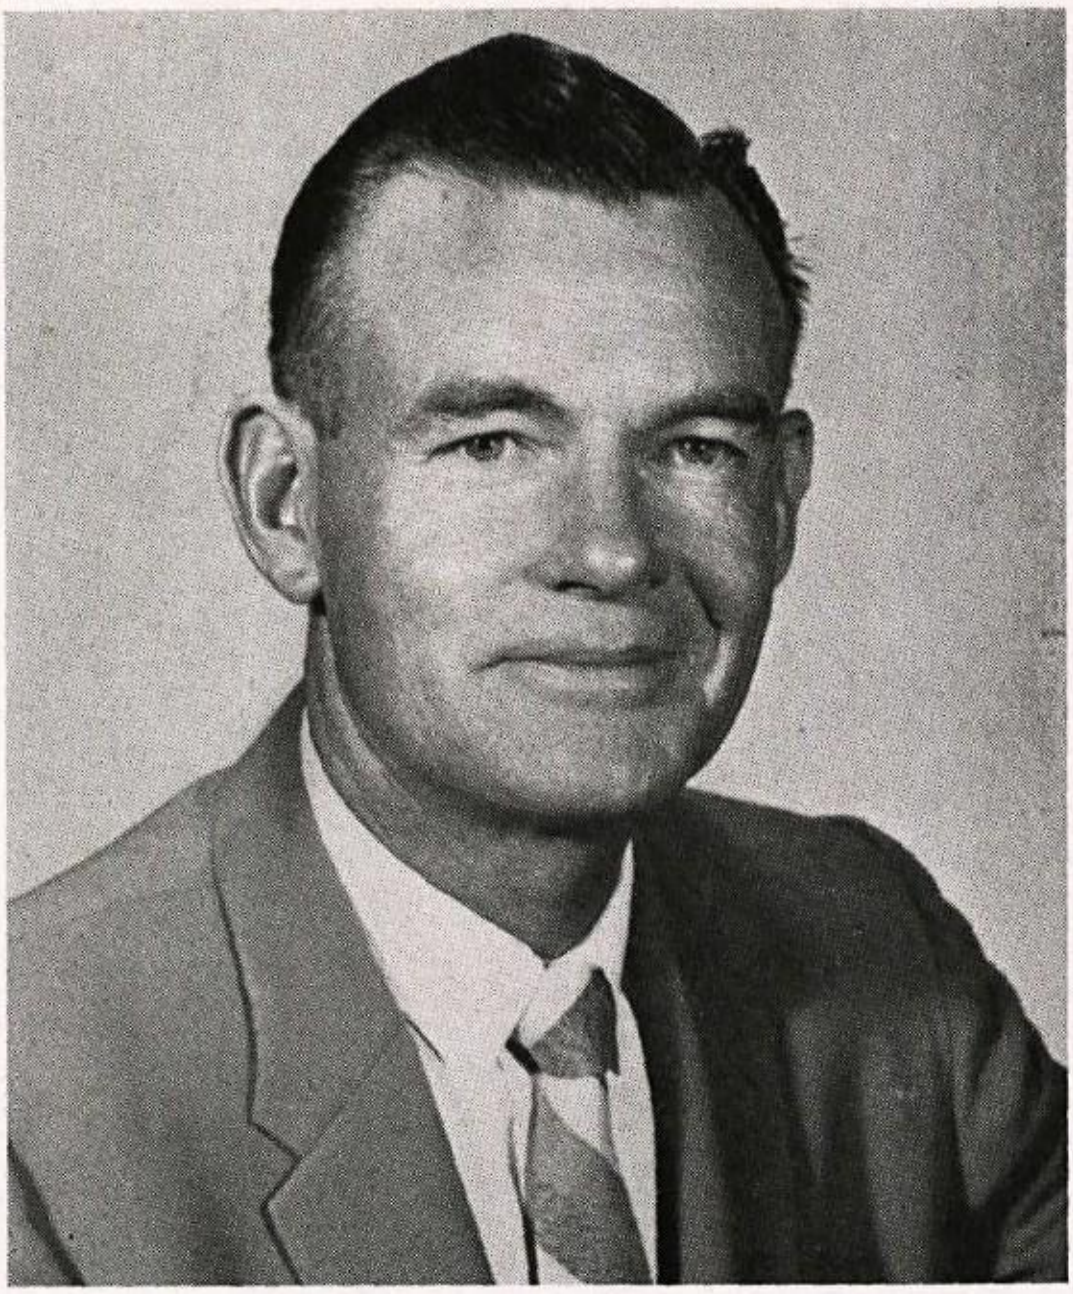
Guiding students on the road to their best-qualified vocation is the tedious task of Mrs. Gladys Vaught, guidance counselor. Mrs. Vaught's work is to secure information about individual students, to carry out a well-organized testing program, and after these tests, to interview the students involved.

For 24 years Mrs. Vaught has been employed at NCHS. During this time she has also taught English, and social studies.

Teachers still have time for outside activities and this is evident in the fact that Mrs. Vaught belongs to the DAR; Wakoma Chapter Number 52 Order of the Eastern Star, the Mountain Azalea Garden Club and the Nu Chapter of Delta Kappa Gamma.

She received an A.B. degree from Marshall College; and a M.A. degree from West Virginia University. Other schools Mrs. Vaught has attended are the University of New Mexico, West Virginia Institute of Technology, and Morris Harvey College.

She enjoys reading, raising flowers, traveling, and watching good educational television programs.



One of the highest goals in life is to attain a higher education. Instructing so many students on the road to education is too much for one individual, and so Hoyt Dean, assistant principal, helps with this task of instruction. As principal of the Summersville Grade School, he starts many of the students on the long journey over the roads of education.

Mr. Dean is a graduate of Richwood High School, and furthered his education at Glenville State Teachers' College where he received an AB degree. He also attended West Virginia University and Marshall College.

Before assuming the duties of grade school principal, Mr. Dean taught driver education and seventh and eighth grade history and geography.

He is very active as coach for the grade school basketball teams. Remember that from these young "explorers" will come the champions of future years.

Mr. Dean is a member of the Richwood Chapter of the Masons and the Richwood Baptist Church. He is also a former member of the Lions and Rotary clubs.

As Tests, Words of Advice Are Given

Throwing a wet towel across the dressing room and shouting, "Nice game, rinkydinks," is typical of the humor in varsity athletic coach, James S. Gladwell, who also assumed the duties of assistant principal this year.

Mr. Gladwell began his teaching career here in 1950 as assistant, or B-team, coach, and has since become varsity coach.

An ardent sponsor of the junior class and the N-Club, he also teaches world history and physical education.

Fairmont being Mr. Gladwell's home town, he naturally attended Fairmont State Teachers' College from which he holds an A.B. degree. He then attended West Virginia University, where he received an M.S. degree.

During the summer months, "Coach," may be seen at the swimming pool where he manages the Nicholas Memorial Park.

Besides golf and hunting, "Coach" also has another very important hobby—baby sitting. He is married and the father of three children—two girls and a boy.

RALPH KEENE
"I've found the student body and faculty awfully nice and very sociable, too," was his comment about the school — unmarried — this is his first year at NCHS.

Being secretary of such a large high school takes most of her time, but Mrs. Bell still has time for outside interests with her family. Some of her duties include managing the book store, counting all money that is collected, bookkeeping, and helping the students with her "so-always" smiling, untiring attitude.

Also helping the majority of the students during the day are the bus drivers, who have perhaps a bigger responsibility than any other person affiliated with this school. The students say "thanks" to them for another safe year.

Serving as secretary in the office is Mrs. Bonita Vaughn Bell, a '47 graduate and winner of the Balfour Award.

'Greater Responsibility Hath No Man'

Charged with the responsibility of transporting students safely to and from school are these bus drivers. **First row:** Bertram O'Dell, John O'Dell, John Tyree, Raymond Mullins, Roma Mullins. **Second row:** Lester Rollins, Okla McClung, Ralph Morris, Lovell Huffman, Brooks Harrouff, Stanley Kincaid. **Third row:** Charles Dorsey, Lyle Trent, Alex Dorsey, Roscoe Childers, and Farrell Johnson.

Secretary Tiny Cogar, reads the minutes to the other senior class officers. **Seated:** Tom Carte, treasurer; Ernest Withrow, sergeant-at-arms; and Dave Lunter, vice-president. **Standing:** Danny McClung, president.

Seniors Remember 4 Challenging Years

Two hundred eighty-one strong, we entered the portals of this strange, new world of adventure —high school. Some of us were strangers to each other, but it didn't take long to become friends, join clubs, and take part in activities together.

As the big, green doors opened the next year, we had somewhat dwindled in size. We remember the awful smell of formaldehyde in the jars of preserved animals we were to dissect in biology classes. This year, too, we discovered a new world of English literature.

The Junior-Senior Prom in our third year was the highlight of the year. It took many long hours to decorate the gym, but the theme, "With a Song in my Heart," was beautifully carried out in pink and silver. The junior play was another highlight of the year because we were doing the acting.

As the last of four wonderful, exciting years began, we proudly enrolled, but with a little remorse. This year we are only 179. Some had quit school, some had gotten married, and one of our classmates, Sandra Ward, was killed during the summer. This touched all of us deeply.

This year we have given the juniors the most beautiful and extravagant Senior-Junior Christmas Party that we could afford. We set our sights for the senior play and the practice it would take. The juniors then gave us a prom as the last formal we were to attend in high school.

Somehow, as we look back over the years, it seems a little sad to think of leaving what has been a "second home." It is also with fear and wonder that we begin to step into a world of opportunity, a fast-moving world, indeed.

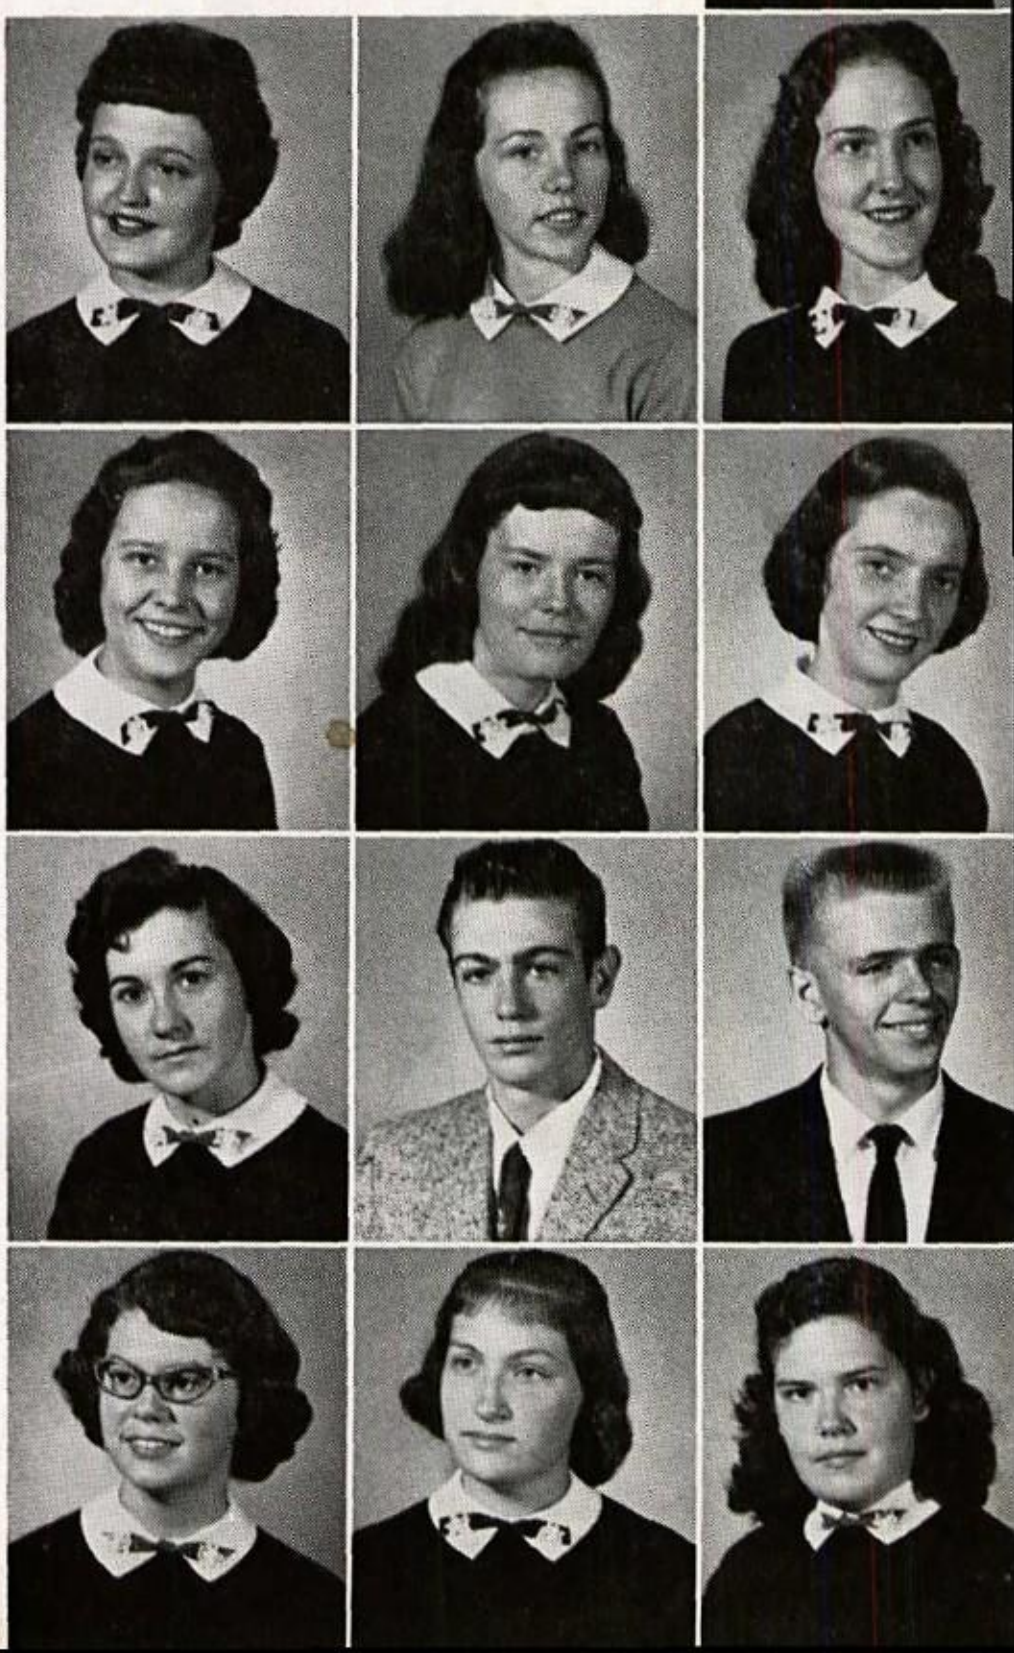
PHYLLIS YOUNG — **Hookersville**
Chorus 3.



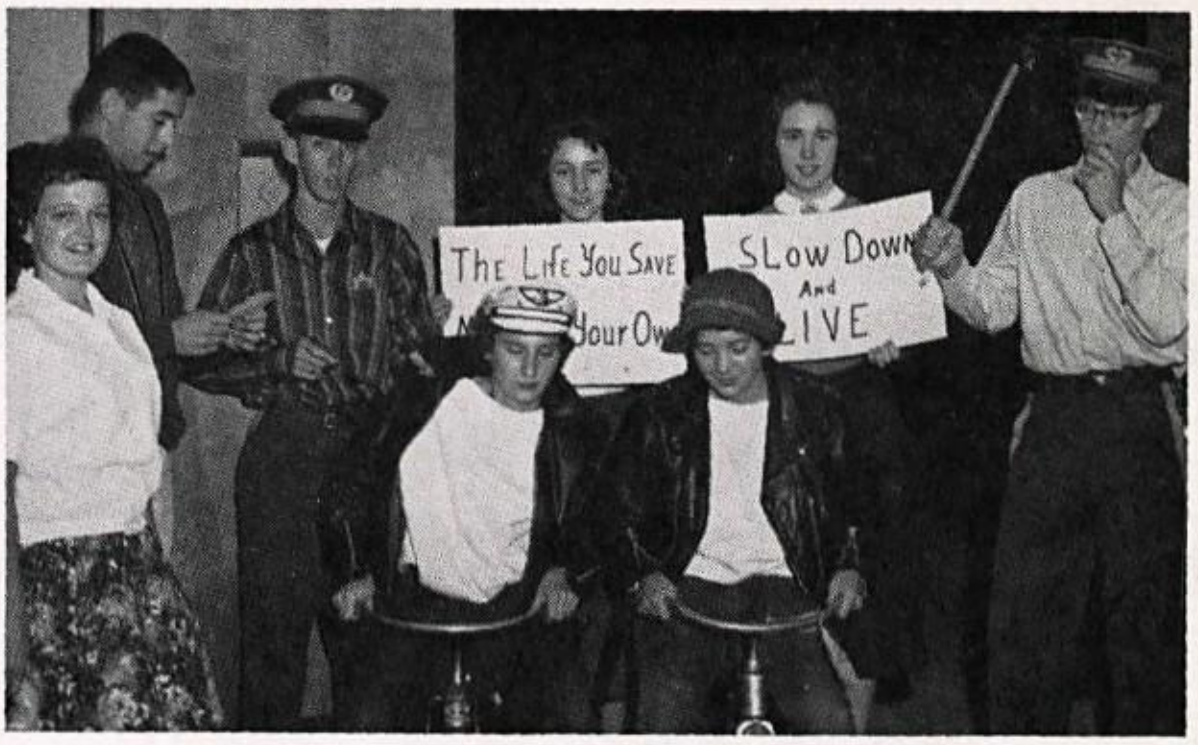
Tests, homework, and studying are not the only things in school life. We have various forms of recreation and entertainment because school does sometimes become boring.

This is the lighter side of school life or the social life and is very important to students.

Throughout the year, ball games are played, dances held, and paid entertainment shows seen. Trips are also taken by various organizations.

Assembly's are a serious part of school life, however, pep meetings and skits are held at many of these which make them more enjoyable.

Yes, school is mainly work but the fun thrown in here at our school makes learning more enjoyable.



Taking part in assemblies is just one of a few of the opportunities for Thespian members. Shown after presenting a skit on "highway" safety are Shirley Wagner, Donald Dietz, Jimmy Cox, Lynda Beale, Geraldine Sparks, Kelly Lett and driving their "cars" are Rebecca Grose, and Belle Rader.

Left: We hope that the great Birch will not think we are all "birdbrains" just because he pulled a chicken out of Eddie Rader's head. **Center:** "Who says Richwood High Students aren't good hosts?" Judy Mullins, Mary Lee McDaniel, Nila Rollins, and Sharon Frame surely wouldn't as they and other students from both schools dance after practicing for the halftime show for the football game. **Right:** "Mass confusion reigns," as the senior band loads onto the busses for a trip; a typical scene repeated many times a year.

"Climbing the stairs to success" are these junior officers: president, Paul Groves; treasurer, Terry Fyock; vice-president, Joe Young; secretary, Mary Ann Summers; and sergeant-at-arms, John Hamon.

'Sailors' Strive To Make Best - Better

Early on the morning of September 4, 1958, 320 bright, scrubbed, cheerful faces making up the "Class of '61" launched themselves upon the sea of learning in hopes of making the port of graduation.

Adopting "Sailors" as an emblem and the carnation as the class flower the young "scholars" decided on the class motto, "Make the best, better."

After a stormy voyage of three years, the Sailors dwindled to 195.

The admirality of the class are Paul Groves, president; Joe Young, vice-president; Mary Ann Summers, secretary; Terry Fyock, treasurer and John Hamon, sergeant-at-arms. All sailors have a good eye for beauty and this is readily apparent in the choosing of homecoming maid-of-honor, Becky Walker who was also named Miss Christmas.

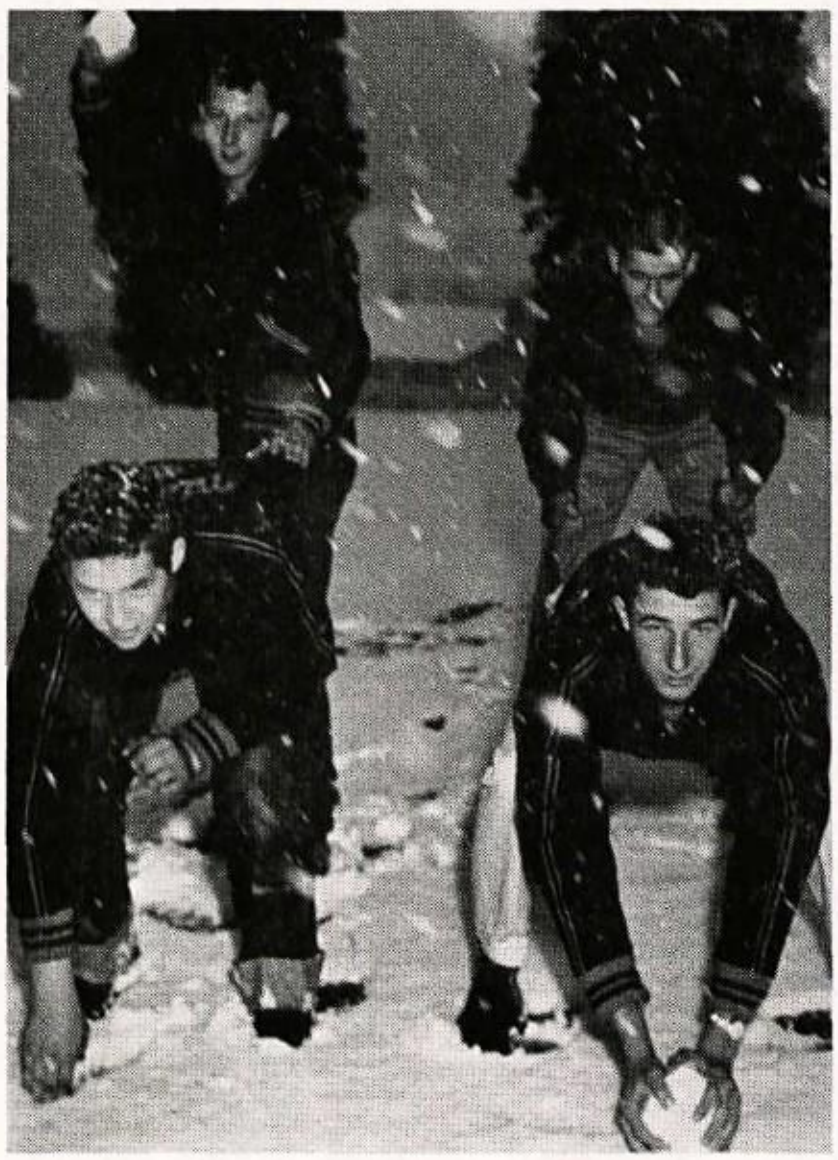
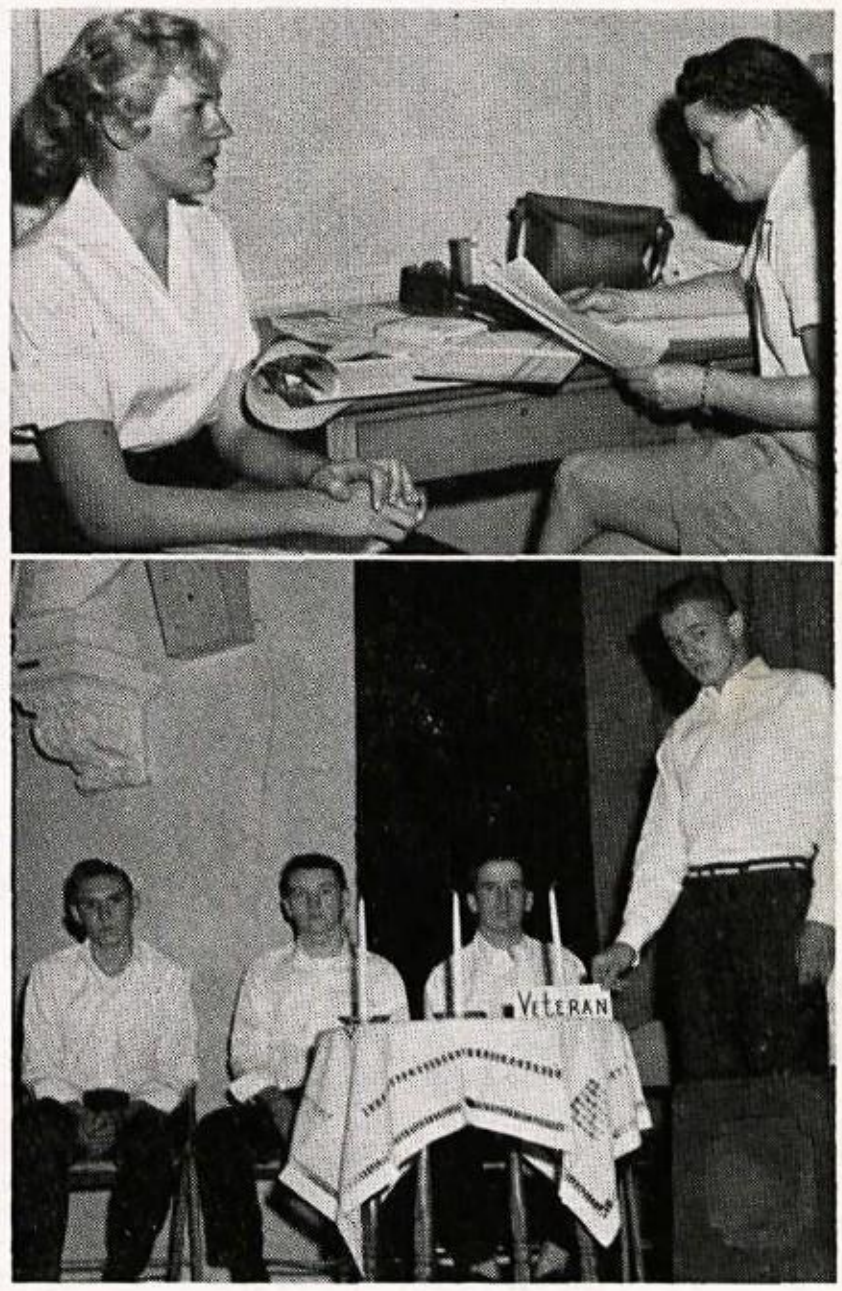
Work and Play Vary As Year Passes

Top right—Oh, yes, the Phys. Ed. girls have more to do than dress and play in the gym the entire hour, as is proven by Teresa Lipsinic as she reports on a magazine article to Mrs. Halstead.

Below:—"You can take the boys out of football, but you can't take the football out of the boys" is exemplified by these football players cavorting in the snow. Paul Groves regular varsity center, centers the "ball" to fullback Joe Young while Wolfgang Fredersdorff gets ready to "blast" Fred Foster on the line.



Lower right—During American Education Week the speech class gave a program honoring teachers, veterans and students. Keith Ward designates the candle for veterans as Ronald Perry, Blaine Painter, and Jack Moore await their turn on the agenda.



"Anything worth doing is worth doing well" says the sophomore class whose theme is "Space Pioneers."

This class of '62, whose colors are red and white and whose flower is the red rose, was represented at the annual homecoming game by Ruth Morris who chose as her escort Steve Foster.

Henry Legg is serving as president of the sophomores this year.

Watching someone else work seems to be fascinating to these sophomore class officers: John Mollohan, vice-president; Jack Harvey, sergeant-at-arms; Nila Rollins, treasurer; Sharon Frame, secretary; and Henry Legg, president.

Sophs Have Many Classes, Interests

Jack Harvey tries to "blow up the world" for Barbara Rider as Morris Woods points out a spot in the Pacific that Charles Rutledge can't find in his book. **Right:** A whoopin', a hollerin', and a stompin', among other things are Eddie Lilly, Tommy Carte, Jim Thompson, and James McClung as the remainder of the chorus sings "Barefoot" at the Christmas assembly which featured the chorus and speech class.

Freshmen Set Goal, Aim Above It

With a lilac flower and white and gold as colors the class of '63 soon became familiar with the pattern of high school which was new to them.

"Set a goal and aim above it" is the motto which the freshmen have selected and whose theme is the '49ers. They surely lived up to this motto as they earned more money at their first dance last fall than any other class.

"A president just can't go any higher" doesn't seem true as Danny Shaffer, secretary; Jim Lilly, vice-president, and Jim Adkins, sergeant-at-arms lift Tony Clapperton, freshman president, higher into the air. Jeannie Perkins, treasurer, watches to see just how far he can go.

Eighth Grade

The eighth grade class began the school term with 47 students. The first event in which they participated was the homecoming. They chose Sandra Beale as eighth grade princess and Gary Miller as her escort. They selected pink and black for the class colors and the pink rose as the flower.

Eighth grade president, Gary Miller, may be doing a bit of studying with Jane Champe, vice-president, and Donna Shalap, treasurer, but Bill Perkins, sergeant-at-arms, and Linda Wood, secretary, seem to think it wise to investigate.

Seventh Grade

One hundred seven students enrolled in the seventh grade on September 2, to begin a "long" association with Nicholas County High School, "we hope." At the first class meeting they selected lavender and white as the class colors and the white rose as the flower. Linda Harlow was chosen as homecoming princess and Fain Miller as her escort.

What will seventh grade treasurer, Sally Jacobson, and secretary, Mary Sue Cook do to vice-president, Shirley McDaniel, after they have caught her slipping out with their "beaus" sergeant-at-arms, Terry Koon, and president, Fain Miller?

Homecoming and initiations are only two of the many activities on our campus. If you see a NCHS boy running around school in his mama's dress or a pair of swimming trunks in December, think nothing of it. This is just part of one of our many initiations through which students go in order to become a member of an organization.

The crowning of Queen Carol Frame by Principal C. P. Wells highlighted the homecoming game on October 16. To add to the affair, the cheerleaders presented the court with flowers.

"My, oh, my, what beautiful schoolgirls we have here!" Enjoying a chit-chat session at noon are these boys who just happen to be "all dressed-up" for N-Club initiation. **Seated:** Delmas Lucas, Ernest Withrow, Charles Alley. **Standing:** Stanley Herold, Bernard Grose, Bill Young, Dave Lunter, and Fred Holley.

Queen Carol Frame and her court, who gave a royal welcome to visiting alumni, are seen after half-time ceremonies at the annual homecoming game. **First row:** Claude Smith, Becky Walker, maid of honor; Carol Frame, Queen; Wolfgang Fredersdorff, Ruth Morris, Steve Foster. **Second row:** Sandra Beale, Gary Miller, Marty Lewis, Philip Berry, Linda Harlow, and Fain Miller.

Activities On Campus Are Many, Varied

In this mighty orchestra, the brass section–the organizations–gives body to the music. So do our organizations give meaning to our school. The larger organizations produce a loud, forceful sound; the smaller ones, softer and less-penetrating sounds as in the opening strains of the "Prelude In C Minor." These organizations are the body of the school.

Trips To Elkins, Morgantown Highlight

Another year has gone by, and once again the Gold and Blue Grizzly Band under the direction of Charles Nicosia has filled the hearts of students with music, both popular and classical. At football games this fall, the band was an always-expected delight to the ears and eyes of sports fans.

Traveling to Elkins for the Mountain State Forest Festival was a thrilling experience for all members, new and old. Their efforts were not in vain as the judges gave a well-deserved fourth place rating for style, marching, and playing. Each and every member of this widely-known organization snapped by the judges stand with a high arm swing and a high step. NCHS will not soon be forgotten at Elkins.

Following the trip to Elkins, the band was invited to Morgantown to participate in a massed band concert for the West Virginia University-Richmond game. Our state-honored majorettes were given the choice spot on the fifty-yard line.

Straight from the football field to the concert stage, the band then began the long practice period in preparation for the spring concert. Volume had to be decreased and instruments tuned

Another Year For Nicosia's Band

precisely but co-operation of all the members made these sessions a huge success.

During the winter, an invitation was received to attend the Apple Blossom Festival in Winchester, Virginia. Because of conflict with the date of the Junior-Senior Prom the invitation had to be declined.

April 21 was the date of the long-awaited Spring Concert. Many hours of practice went into making this concert the huge success that it was. Good things should not go unrewarded so the Band Boosters' Club, as in past years, gave the band a banquet and dance. As many members said, "It was a swell dinner."

Yes, another year is over and many of the band members have had to work long hours trying to earn merits. This organization is run by the merit and demerit system. A band council is chosen for each year and they hold the controlling hand. Members of the council are Donald Dietz, president; Lynda McDowell, vice-president; Becky Grose, band captain; Belle Rader, secretary and treasurer; Carol Frame, head majorette; and Bette Trent, reporter. Bette also has served for three years as student director.

"We all sing like the birdies sing" is quite true of these chorus members. **First row:** H. Tyree, P. Legg, M. Williams, N. Rose, D. Dorsey, L. Gill, D. Burkholder, J. Morrison. **Second row:** E. Singers Contrast Demerit Slingers

From all appearances this seems to be a wedding. On the second look it appears to be an execution, but actually it is the band council dramatizing the wedding of band director, Charles Nicosia, to Miss Norma Perrine last summer. Guarding the "gleeful" groom is Lynda McDowell as Carol Frame performs the ceremony (or funeral). Bette Trent and Donald Dietz appear as Mr. and Mrs. Nicosia while Belle Rader appears to be having a wonderful time as best man. In order to get this picture certain measures had to be taken as are indicated by Rebecca Grose who restrains the real Charles Nicosia who is "floored" by it all.

Under the direction of Charles Nicosia the new 62 member chorus sang at many school functions including the band concert and the Christmas assembly.

Besides singing, the chorus spends a spring day eating, drinking, and being merry, at their annual roast.

Tom Carte heads the group as president, with Keith Ward, vice president; Jolene Hughes, secretary and treasurer; Kenneth Brown, sergeant-at-arms; Jewell Morrison, librarian; and Mary Ann Summers, accompanist.

Discipline in the band is built around a core of student officers called "among other things," the band council. The band council, also known as the "Gestapo," "M.P.," "Mafia Secret Police," etc. is composed of six band members elected by the band on the basis of their leadership, fairness, and their ability to shoulder responsibilities.

Some of the duties of this organization are giving and recording demerits and acting as hosts to visiting bands. Their biggest responsibility is keeping order during rehearsals, on busses during trips, and at all public performances. The council also meets with the director at intervals to help plan and discuss band policies and rules.

"If the short straw comes up Jeannean will work at the next game, but if the long straw comes up Ruth Ann will work," Mrs. Skaggs tells these 9-Club girls. **Seated:** Shirley Snodgrass, Carolyn Shaffer, Bobbie Vass. **Standing:** Tiny Cogar, Joyce Grose, Carol Drennen, Jolene Hughes, Jeannean Murphy, Ruth Grogg, Mrs. Irene Skaggs.

Collecting tickets, working in the concession stand, and making signs announcing coming activities are but three of the jobs performed by the 9-Club which is composed of junior and senior girls and sponsored by Mrs. Irene Skaggs.

Each year upon graduating the senior members invite sophomore girls to take their places in the club.

A library assistant is a great help not only to students but also to Miss June Beamer, librarian.

These assistants help students to find books and give information as to where materials may be found.

Checking books out, back in, and keeping them in order are only a few other duties of these students who give their study halls to help.

Sports, Book-Minded Students Work

Keeping books in order, checking them in and out, and helping students find books are only a few of the duties of these library assistants. **Standing:** Wilma Schoolcraft, Sandra Williams, John Jarrell, Jo Frazer, Myrna Coffman, Miss June Beamer, librarian. **Seated:** Sandra Walker, Bucky Bennett, and Billy Bartley.

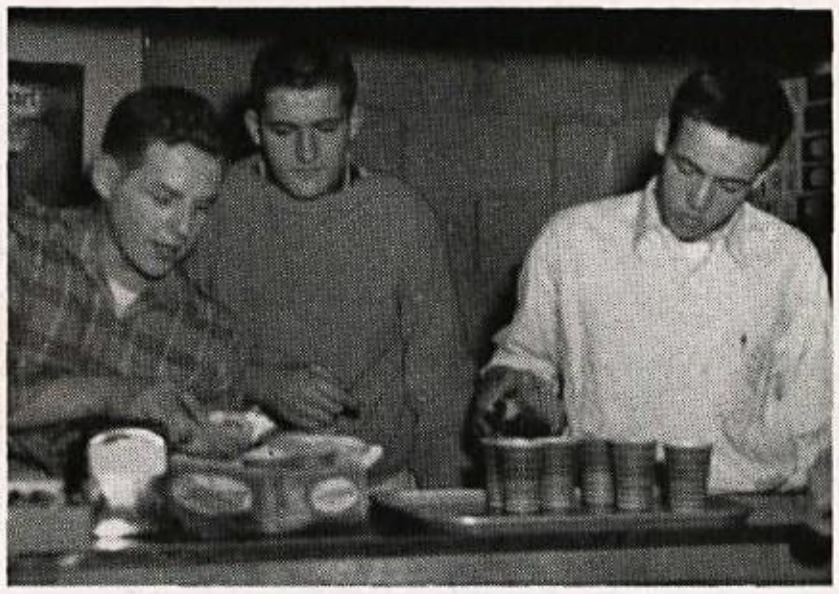
To those boys who earned a letter in a particular sport, served as manager, or as publicity manager, an opportunity is given to become a member of the N-Club. Two "horrible" initiations are held each year through which they can obtain membership.

Each year the senior members of the club travel to a sporting event within a 300 mile radius accompanied by their sponsors.

The purpose of the N-Club is to foster high scholastic rating, to stimulate a desire for balanced training, to evaluate the ideals of sportsmanship, and to develop a high type of leadership in the male athletes of Nicholas County High School. Good sportsmanship and clean, wholesome living are the standards adopted by the N-Club for its members.

Officers of the N-Club are Jim Cox, president; Joe Young, vice president, Terry Fyock, secretary; and Fred Roberts, treasurer.

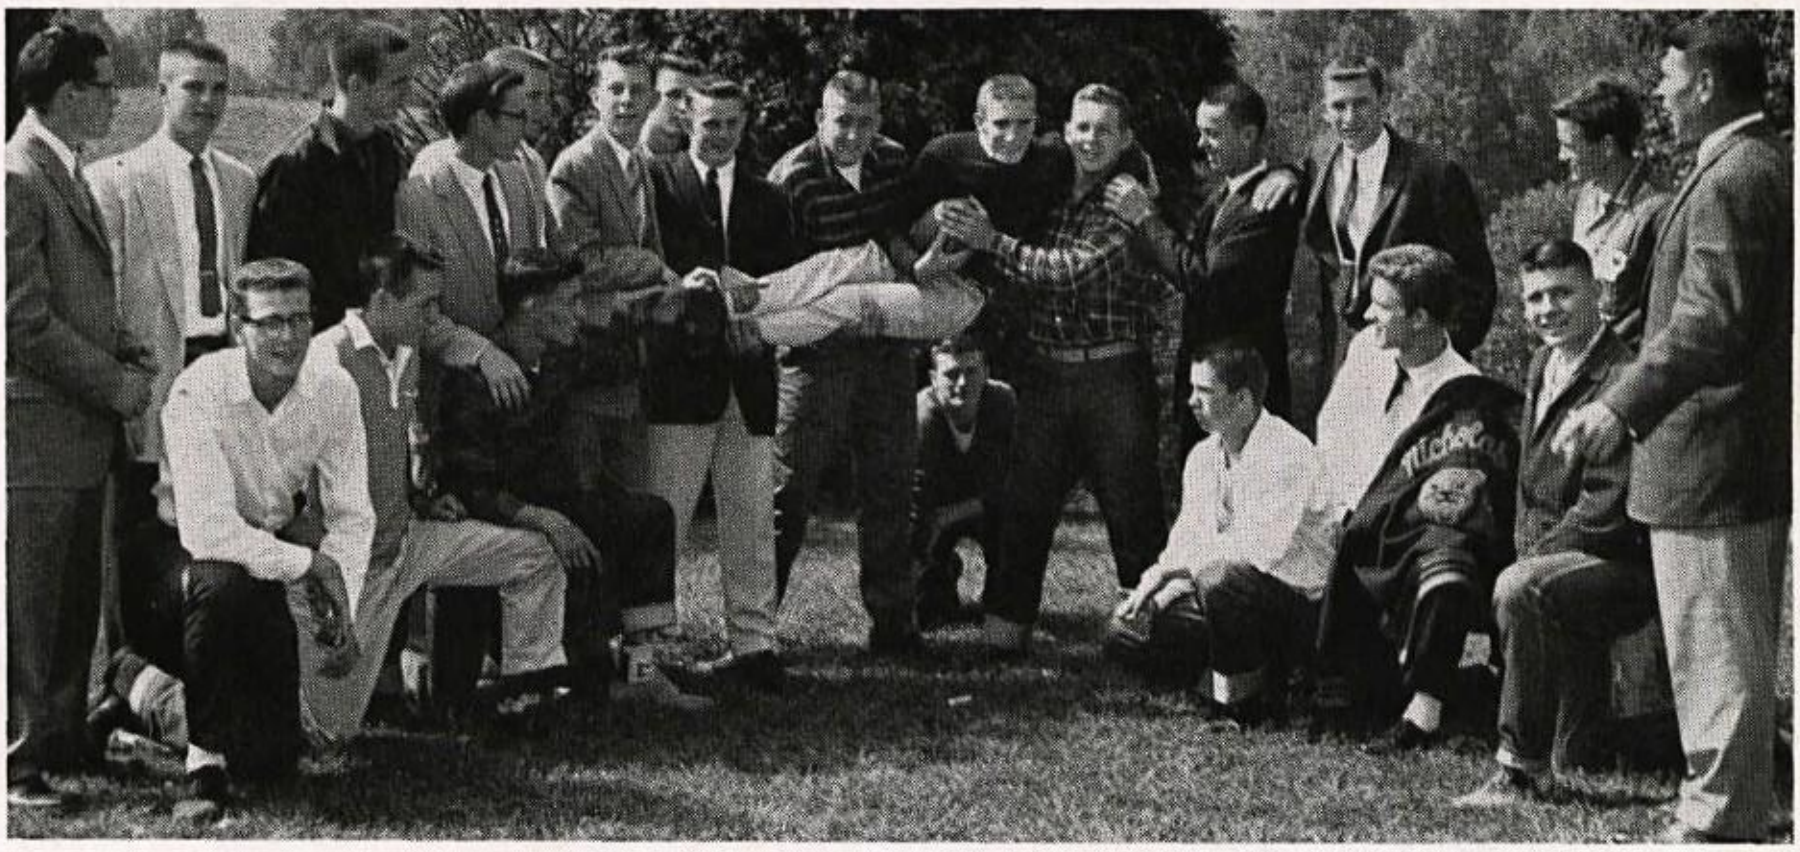
Coaches James Gladwell, Robert Perkins, and Bernard Poole are sponsors of the club.



"Get your hot dogs and cokes here!" bark these N-Club members who attempt to satisfy the appetites and quench the thirsts produced by the exciting basketball games during the warm-up tourney. Working at the concession stand are Fred Foster, Joe Young, and Larry Ellison.

We Worked To Gain Our Membership

"See how far you guys can throw him," yells Coach James Gladwell to N-Club boys. **Standing:** Bob McClung, John Moore, Dale Dodrill, Fred Roberts, Eddie Lilly, Wolfgang Fredersdorff, Paul Groves, Jim Thompson, Joe Young, Bill McIntire, Fred Foster, Jim Cox, John Lewis, Roger Chapman, Coach Gladwell. **Kneeling:** Terry Fyock, Larry Ellison, John Hamon, John Rapp, Jack Moore, Zeke Hamrick, and Larry Nutter.



As Fred Huffman taps with his gavel all becomes quiet and another meeting is begun with **first row** John Tucker, Herold Jarvis, Frank Murphy, Bill Harlow, O. D. "The successful farmer of tomorrow is the Future Farmer of today" is a motto which keeps the boys of the local chapter of the FFA striving to become those successful farmers.

The FFA is an intra-curricular activity in which members learn to speak in public, to buy and sell cooperatively, to solve their own problems and to assume civic responsibility.

Leadership and character development, sportsmanship, cooperation, service, thrift, scholarship, improved agriculture, organized recreation, citizenship and patriotism is the foundation upon which the organization is built.

This national organization was organized in 1928.

The Future Farmer Of Today Will Be

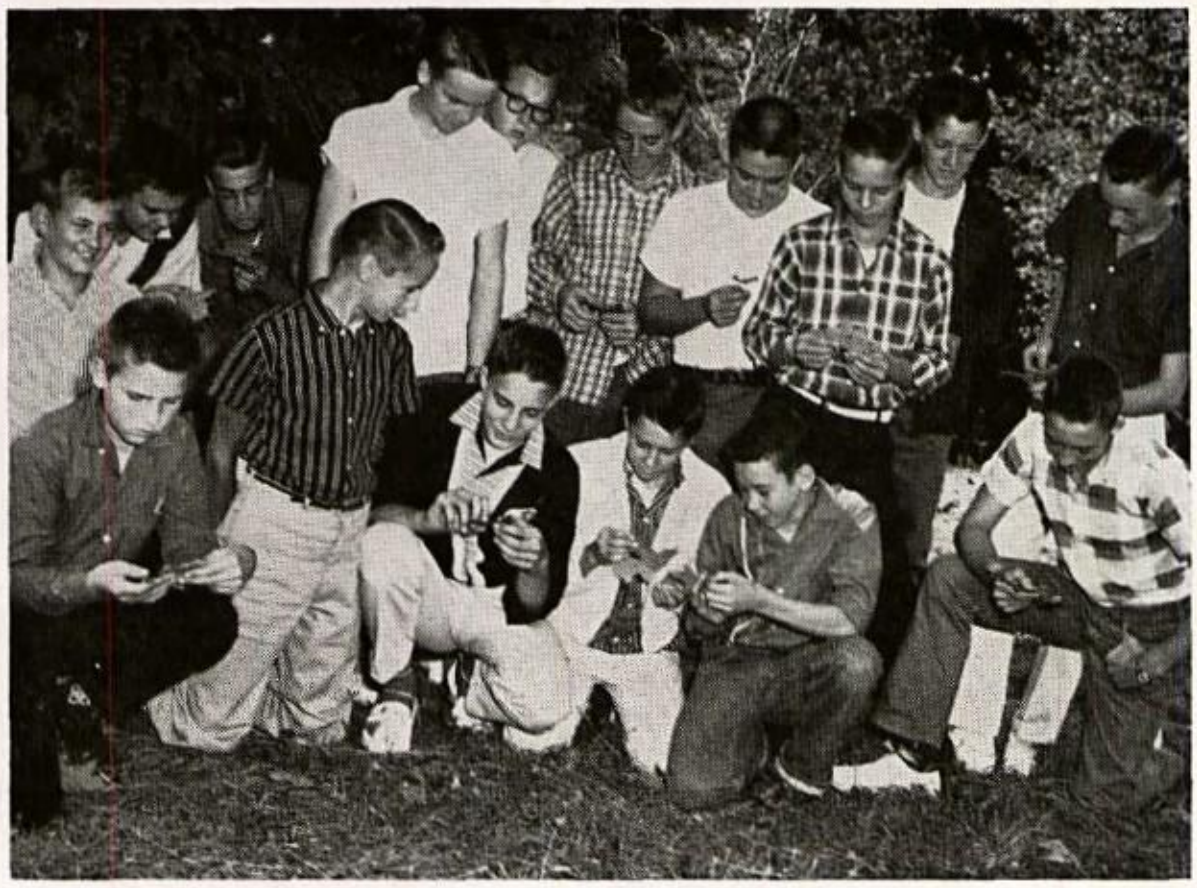
Representatives of the club attend the FFA Camp located near Ripley and the FFA Federation meetings in Raleigh, Summers, Mercer, and Nicholas counties each year.

As parliamentary procedure is an important asset to these boys, the officers accompanied by Carl Cook, advisor and sponsor, attend the annual Parliamentary Procedure Contest each year. The Public Speaking and Creed Contests are also entered annually.

The president of the organization is sent each year to the Leadership Training School at Cedar Lakes, which is a new state camp and conference center started by the joint efforts of the FFA and FTA, at Ripley.

Delegates or a delegate attend the state FFA Convention each summer where the State Creed Contest is held in which Bruce Malcolm placed third this year.

"Yes sir, looks like the bugs got here before we F.F.A. boys did. **First row:** Larry Trent, John F. Groves, Kelly Sparks, Charles Johnson, Larry Cook, J. B. McClung. **Second row:** Joe Brown, Kenneth Gray, Fred Hypes, Roger Johnson, Allen Morriston, Darrell Skaggs, Thomas Perez, Kim Brown, Stanley Sparks, Ernest Huffman.



Activities vary the year around as work and play are balanced.

The annual Ham, Bacon and Egg Show is something all members look forward to, not only because of profits made on the choice products but for competition.

Popcorn is sold at football games and at lunch time.

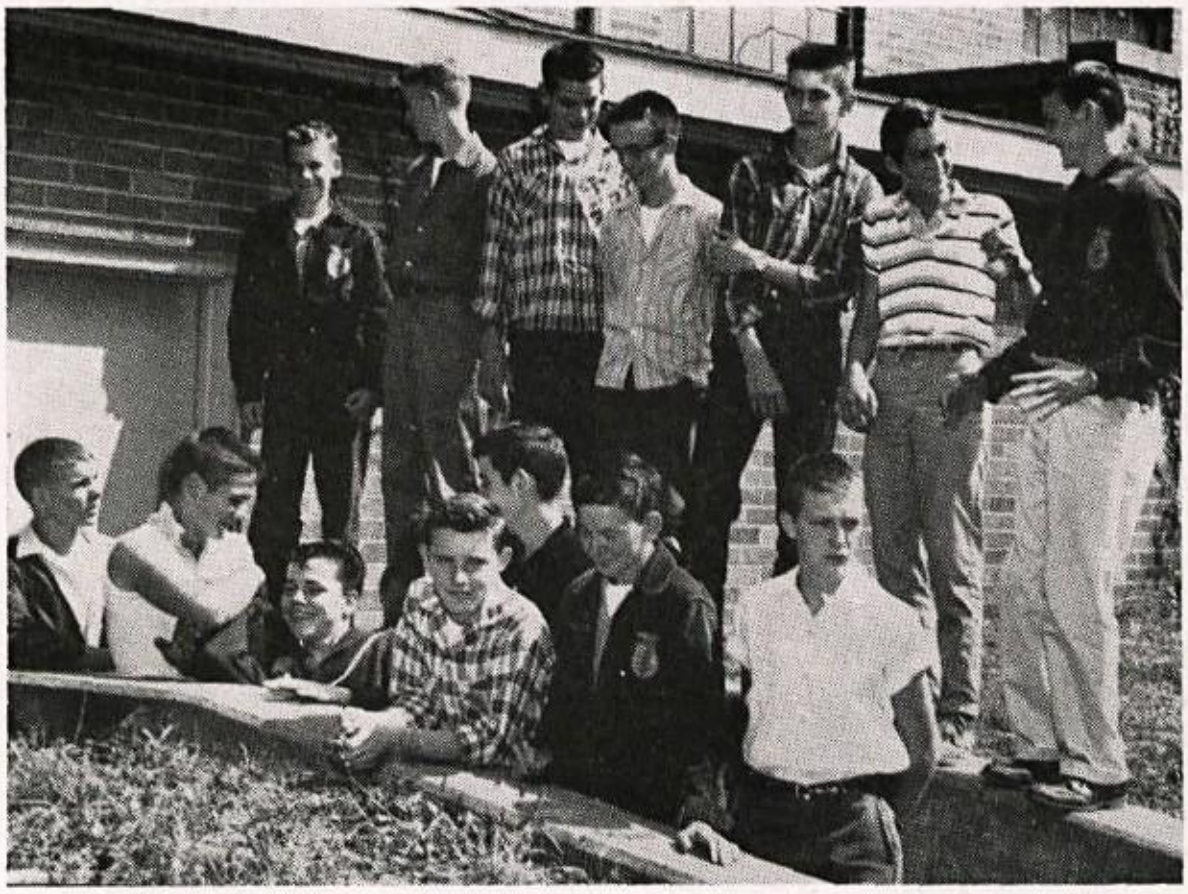
The club is useful to the school, as any work which requires the use of farm machinery is readily done by members. Last year the football field was beautified.

Land judging is also learned and a team is selected to participate in contests.

Hoping for a ringer Lonnie Strickland pitches a horseshoe as Delbert Copenhaver, Dewey King, Cecil Halstead, Burl Facemire, David Bays, Darrell Jones, Herold Sebert and Jerrell Childers relax in various **standing** positions. **Kneeling,** James Young, Clyde Hypes, Robert Dorsey, and Franklin Price look on with interest.

The Successful Farmer Of Tomorrow

After stepping out of the furnace room these FFA boys pause for a minute to scuffle and catch their breath. **First row:** Gary Chapman, Joe Dietz, Bruce Malcom, Delmas Roberts, Sammy Grose, Darius Cook, Larry Mullens, Victory Hughart. **Second row:** Joe Strickland, Mike McClung, Denzil Stull, Donald Facemire, Jerry Brake and Lionel Chamberlain.



Many useful, beautiful, and desired items are produced by members in learning handicraft.

The club decided to do away with all hazards in the county in order to make it a safer place in which to live. This became the Community Improvement Project.

Each summer finds all members keeping busy with a summer project which is required. These projects are exhibited at the county fair.

Camp Summers was the scene of the Field Day events which is held in the spring. Highlighting the day was tractor driving, farm sheep and poultry judging contests, softball tournaments and relays.

This active organization sponsors roasts, dances, parties, and serves at various banquets. This type of active work and play goes hand in hand with one of the purposes: "To provide wholesome individual and group recreation."

This national organization is composed of senior high girls who are learning the essentials of becoming a good homemaker.

Through the joint effort of the state FHA and FFA a camp and conference center was established, which is called Cedar Lakes.

"F.H.A. girls don't spend all of their time doing housework" is clearly expressed as these members shine Mr. Matheny's car: B. Hinkle, S. Perkins, M. Keenan, B. Withrow, N. Brown, P. Facemire, P. Trent, J. Mullins, J. Humphrey, M. Dodrill, C. Cool, E. Chapman, P. Brown, L. Keenan, I. Hackworth, C. Fredersdorff, P. Hughes, C. Donalson, J. Legg, B. Rogers, R. Dotson, V. Grimes, K. Adkins.

Future Homemakers Carry Projects,

"Toward New Horizons" are three words which are important to all Future Homemakers of America for they are the organization's motto. This motto expresses the purpose of the organization: learning to live better today in order that our lives and those of our families may be better today.

The colors, red and white, are the colors symbolic of youth and of home life.

The flower, a red rose, is a symbol of vibrant, glowing health which makes for more efficiency and happiness in the home.

Underprivileged children have seen the ways of the FHA as each Christmas the members of the local chapter have a party for them. Skirts, shirts, and other articles were made this year and were given to the children along with candy and other small gifts.

The annual regional meeting at Concord College is attended by the homemakers. During the summer, representatives attend the FHA camp at Ripley and also at Jacksons Mill.

"Family Unity" is a national project through which the Future Homemakers of America work toward an objective of their program: to develop a better understanding of our family members and to contribute to their well-being.

Give Parties, Learn To Keep House

Each summer Miss Hazel Dorsey and Mrs. Virginia Simms, sponsors, are busy visiting the homes of FHA members still enrolled in home economics. These visits are for the purpose of checking various required summer projects.

Many of the products of these summer projects are exhibited at the county fair.

Lucky is the guy who marries a FHA girl for she has had much experience in cooking, sewing, and cleaning.

Complete outfits are made, menus are planned and prepared. These things contribute to the progress of the purpose, "To work for a good home and family life."

Pins may be received as each degree is earned and every degree has a different symbol.

Fashions are always in the minds of F.H.A. members as Deanna Grose is seen displaying her "king-size" purse to **first row:** Carolyn Lane, **second row:** Elizabeth Keener, Elizabeth Painter, Rita Hicks, Patsy Brake, Yvonna Willis, **third row:** Twyla Perrine, Mary DeMoss, Helen Tyree, Mary Jo Brown, Nancy Wiseman, Lynn Young, Nancy Baker, **fourth row:** Becky Young, Mary Jane Painter, Ann Humphrey, Carol Fisher, Louise Dooley, Helen Groves, Paula Ward, Gay Garrett.

"We the officers of the GAA in order to make a more perfect club shall study our constitution and abide by its laws." **Front row:** Becky Walker, Sue Brown, Mary Ann Summers, Vanra Grimes, Ruth Ann Grogg, Karen Adkins. **Back row:** Elizabeth Painter, Becky Grose, Mrs. Marguerite Halstead, sponsor.

The Girls' Athletic Association was organized in 1946 by Mrs. Marguerite Halstead, girls' physical education teacher and cheerleading instructor.

The chief purpose of this club is to promote a greater interest in sports, leadership, and sportsmanship.

Membership is achieved in the club by earning 250 points in four different major sports. To remain a member one must earn at least 100 points each semester. These points may be earned during study hall periods, noon hour, or after school.

Sportsmanship, Leadership Are Goals

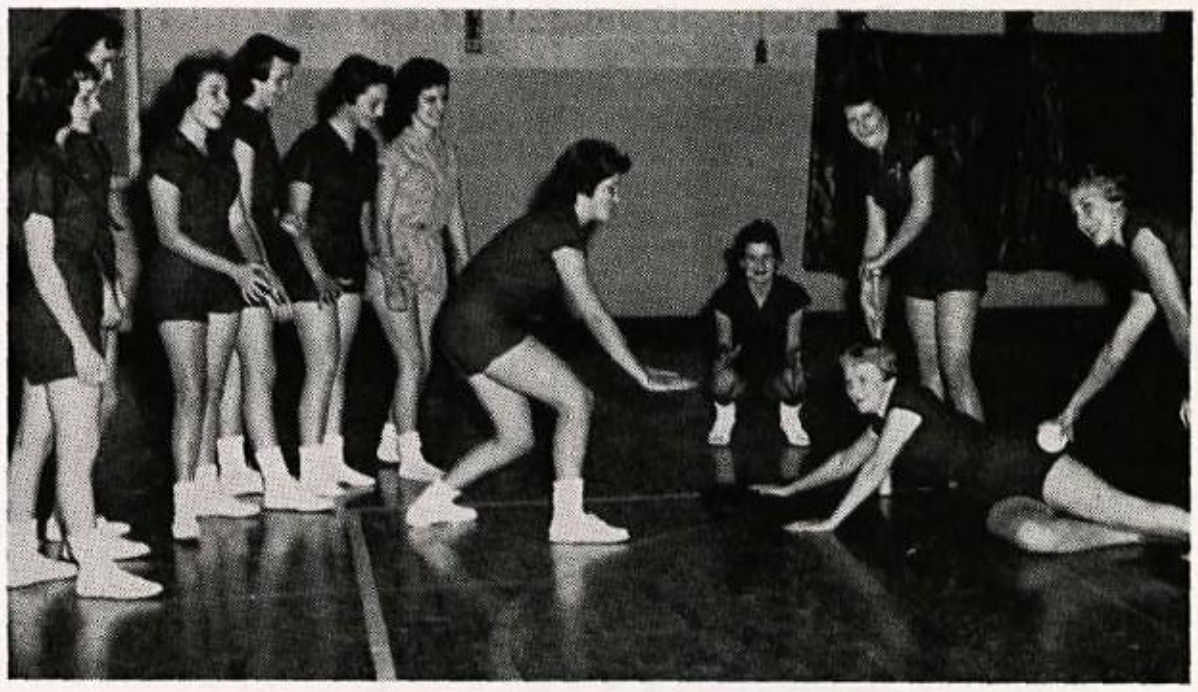
Priscilla Rohmiller, Drema Hall, and Deanna Grose appear to be experts on volleyball as they show the steps of serving the ball to the other GAA members: Paula Taylor, Jeannean Murphy, Ruth Morris, Patty Underwood, Martha Monroe, Marie Monroe.

Each year the club sponsors a week-end trip for senior members; usually to a state park.

As a part of the school's athletic program the GAA gives members a chance to learn the rules of many sports.

This organization is world wide. The girls have winter sports in which to participate. Its members also have the chance to learn how to get along with each other.

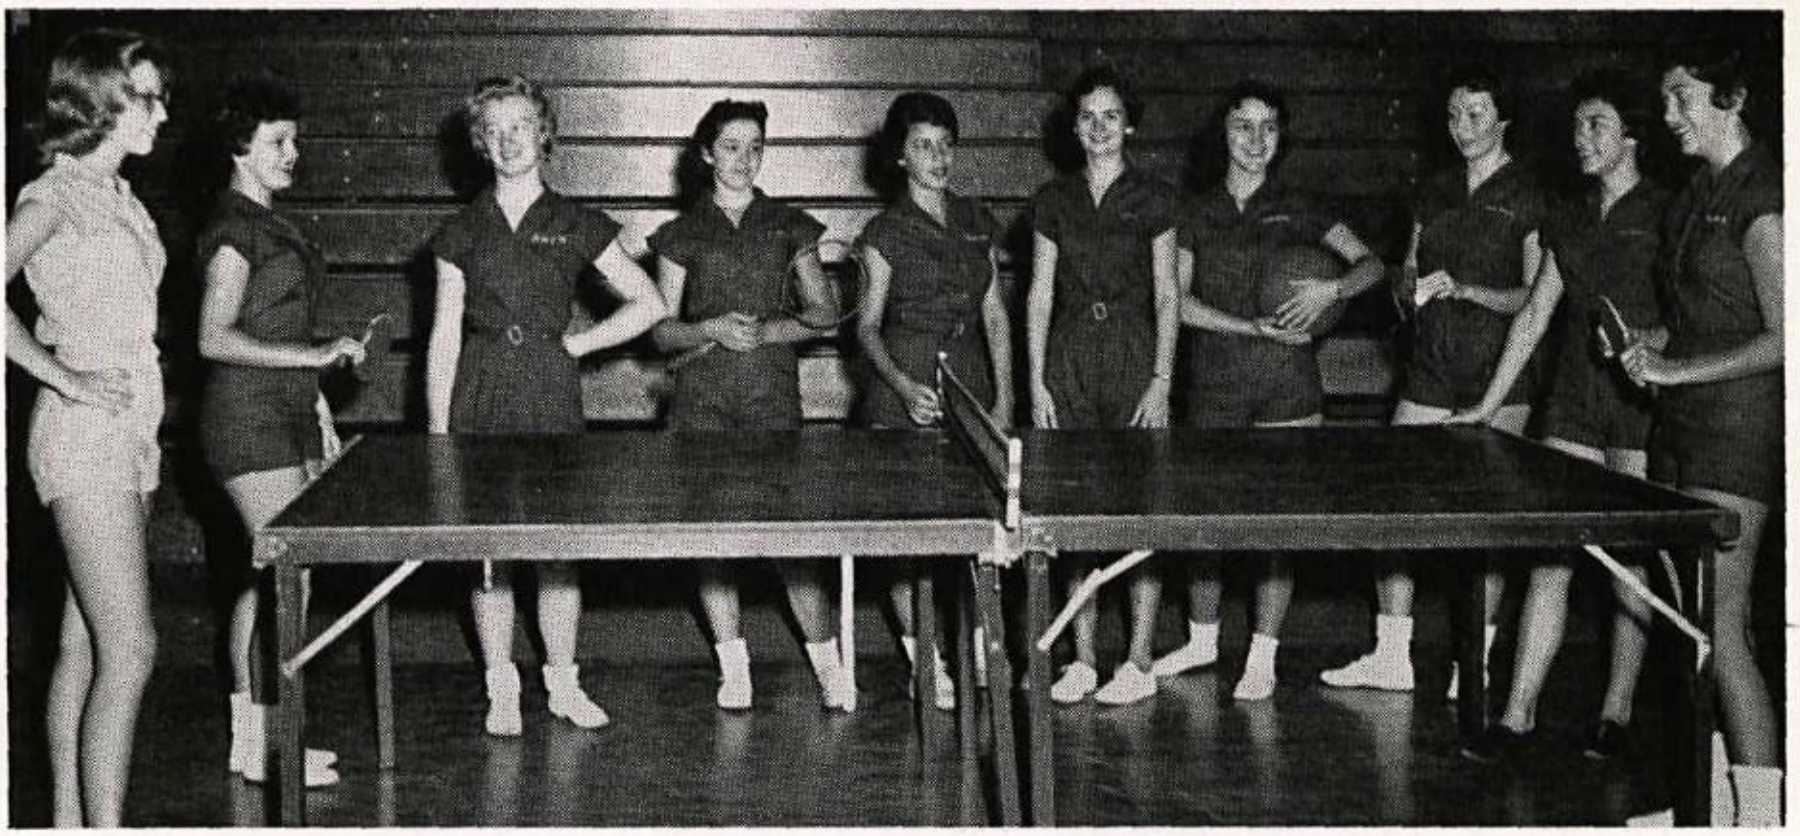
After admission into the club, a girl may earn the required points to receive an award letter, a pin to represent the club, and a pin or emblem of her favorite sport. The GAA sponsors dances and bake sales to help buy equipment for the gym.



Some GAA members seem to be having a wonderful time playing softball. Patty Brown, Ann Humphrey, Nancy Roberts, Jane Humphrey, Zelma Taylor, Deloris Adkins form a cheering section as Shirley Lilly umpires, Judith Ramsey serves as catcher, Louella Rutherford wields a bat, and Ramona Frame tries to tag Nancy Rose out.

Of The Girls Athletic Association

"Swing that paddle, swat that ball, we wanta play and can't wait for you all" say Brenda Rogers, Nancy Huffman, Ida Fae Price, Teresa Pugh, Lou Gill, Linda Beale, Patty Backus, and Carol Frame as they wait for Shirley Wagner and Belle Rader to finish their game.



Not only are these honor society members joined hand in hand with each other, but in friendship with everyone in school. Caught out on the campus were these students who were members at the beginning of this year: Geraldine Sparks, Nancy Fennell, Patty Backus, Benny Backus, Carolyn Wilde, Linda Beale, Martha Wallen, Yynda McDowell, Karen Adkins,

National Honor Society Is Symbol

"Membership in the National Honor Society does not come easily," are the findings of these hard-working students who have been awarded one of the school's highest honors. **First row:** Beverly Russell, Sue Roark, Myrna Coffman, Nancy Huffman, Charlene Tyree. **Second row:** Karen Dotson, Sandra Given, David Lunter, Bette Ann Trent, and Jo Frazier.

"Builders of a New World" was the theme as ten seniors were inducted into the National Honor Society in a formal initiation ceremony on December 2 bringing the total membership to 30.

Nancy Fennell, a transfer from Sherman High School at Seth, was introduced and welcomed to the society.

Since 1936, the National Honor Society has been functioning at NCHS and as the times have changed, the society has remained the same — an organization for honor students who have shown traits of character, scholarship, leadership, and service.

All students who meet the qualifications of a "B" average are eligible to be considered for membership into the Society.

Becky Grose, Ruth Grogg, Carol Frame, Donald Deitz, Belle Rader, Shirley Wagner, Ramona Frame, Paula Taylor, Nancy Rose, Jim Cox, Jolene Hughes, Tiny Cogar, Carol Drennen.

of Honor For Deserving Students

Being admitted as a member of the National Honor Society is the highest honor a student can receive at Nicholas County High School. Admittance to the society is based on scholarship, leadership, character, and service.

Each year the club presents two special assemblies for the student body to initiate new members. During the first semester, five per cent of the senior class is accepted and during the second semester ten percent of the juniors are selected.

The keystone and the torch are the emblems. The letters C, S, L, and S which stand for the four cardinal principals are on the base of the keystone. The torch symbolizes the purpose—to follow the light of truth.

"Truth is Right" is the society motto while gold and blue are the colors. The gold symbolizes the flame of ambition and the blue tells us to be true to everyone and everything.

The goal of the society is to create an enthusiasm for scholarship, to stimulate a desire to render service, to promote leadership and to develop character in the students of America's secondary schools.

Selling cokes and coffee at ball games and milk and sandwiches at noon are only two of the many activities of the organization. Each year members help the freshmen on Freshman Day and also in the fall when they enroll.

For a day of fun in the spring the members and their guests go to a state park and spend the day.

Awards in commerce, English, social studies, drama, music, mathematics, and science are given to graduating seniors who are outstanding in these fields. A scholarship of one hundred dollars is presented to a deserving senior.

Prexy of the society this year was Jim Cox while aiding him were Benny Backus, vice president; Lynda McDowell, secretary; and Jolene Hughes, treasurer. Group leaders were Ruth Ann Grogg, Martha Wallen, Donald Dietz, and Becky Grose. Mrs. Virginia Hickman sponsors the organization with James Hinkle serving as co-sponsor.

All students take the following pledge before becoming a member: "On my honor as a member of the National Honor Society I will do my best to represent the four ideals of the organization: Character, Scholarship, Leadership, and Service. I will be fair and square in all my dealing with teachers and fellow students; I will remember that the primary purpose of school is getting an education; I will use what powers of leadership I have toward making Nicholas County High School a better school. I will serve my school without thought of personal glory."

Utilizing the theme "Rainbow of Desire," 23 juniors, ten percent of the class, were formally inducted into the National Honor Society, March 2, in the annual Spring initiation.

To promote Christian fellowship is the aim of the HI-Y. This club, sponsored by Dexter Dotson, strives to create a better development of the mind, body, and spirit for its members.

Driving and keeping control of a car is a big job as well as a great responsibility.

Driver's Education is the class where students learn to keep control of the car, learn to drive safely, and study the various parts of a car.

Traffic rules and regulations are stressed and tests are given to check a student's vision, reaction time, and control.

Seven volunteer boys form the school police of the high school. These boys are of great value to all who attend home football and basketball games, for they are on the scene to direct traffic and help park cars. The reward: the satisfaction of the help they give, and free entrance to the home football games.

Top: Zeke Hamric is stopped and gets a lecture from Mike Gabbert as these other student patrol boys appear ready for action: Keith Ward, Billy Marks, Roger McCutcheon, Connie Johnson, and Romie Taylor. **Bottom:** Out enjoying the sun? Well, yes but learning to drive a car is the main purpose of this little trip, so these driver's education girls can later pass their operator's test. **Front seat:** Mr. Morris, instructor, Dorothy Dorsey. **Back seat:** Doris Copenhaver.

Students Learn To Drive, Direct Cars

"We'll surely learn to become safe drivers under the guidance of two teachers and with a new car to use." Our Purpose Is To Promote Love,

Spiritual training is necessary to every person who wishes to lead a happy successful life. This is the purpose of the Y-Teens, a branch of the Y.W.C.A. It is an international organization to which any high school girl may belong.

The program of the club is built around the threefold development of body, mind, and spirit in a background of Christian fellowship.

"To build a fellowship of women and girls to the task of realizing in our common life those ideals of personal and social living to which we are committed by our faith as Christians; in this endeavor, we seek to understand Jesus, to share His love for all people and to grow in the knowledge and love of God" is the purpose of the Y-Teens, a Christian organization for girls only.

Roark, I. Hackworth, B. Young, H. Groves, M. Nutter, J. Ward, J. Brown, R. Morris, N. Backus.

Christianity Throughout The World

The symbol of the club is the triangle and the globe. As defined in the Y-Teens manual, the triangle represents the member: growing as a person; growing in the friendship with people of all races, religions, and nationalities, growing in the knowledge and love of God. The globe represents the international scope of the Y.W.C.A. and the need for world fellowship so that we all may some day realize the ideal of "peace on earth, good will toward men."

Each year new members are initiated in a religious ceremony presented for the student body. On November 21 the old members presented a program entitled "Freedom and Brotherhood" in which the new members were initiated into the club.

This organization sponsors various activities during the year. This year, as well as contributing seven dollars to CARE, the club members donated canned goods at Christmas time to distribute to the needy. The club also sponsored a dance.

Because of the large number of girls who belong to the club, it is divided into two clubs. Seniors and juniors compose the senior club, sponsored by Miss June Beamer, while sophomores and freshmen compose the junior club, sponsored by Miss Betty Tinnel.

Every organization must have its leaders. Serving as prexy of the senior group is Patty Backus while assisting her are Lynda Beale, vice president; Shirley Wagner, secretary; Becky Grose, treasurer; and Belle Rader, sergeant-at-arms. Patsy Brake serves as president of the junior group and is aided by Sue Withrow, vice president; Kay Chapman, secretary; Mary Lee McDaniel, treasurer; and Patricia P'Simer, sergeant-at-arms.

Patty Backus and Patsy Brake attended the State Y-Teen Conference at Jackson's Mill, November 21-24. They took a dancing class and had the honor of being chosen to participate in a hula dance given at a program entitled "Our New State Hawaii."

Mrs. Esther Golden organized the Nicholas Y-Teen chapter about 1930. Originally it was called the Girl's Reserve but has since been changed to the present name.

No one can say that the Thespians have no business in show business judging from the audience's reaction to the many Thespian performances of plays and skits of all kinds before the student body in assemblies.

Highlighting the Thespian's year were the three annual one-act plays that were presented February 18, in the auditorium. Spotlighted on the stage were "Elmer," "The Mad Breakfast," and "Feudin'."

"I dub thee knight of the round table" Lynda Beale seems to say as she "crowns" Belle Rader when these Thespians got together. Priscilla Rohmiller and Vanra Grimes are ready to catch the "victim" while Mrs. Mattie Lett, sponsor, Twyla Perrine, Ruth Ann Hypes, Dewey Berry and Jim Cox watch with varied expressions.

Acting Is The Thespians Business

Acting on the stage is but one part of the Thespians many duties. A member must be a combination of an actor, costumer, stage manager, make-up artist, play editor, prompter, ticket seller, prop director and participate in many other activities for which he receives points.

President Donald Deitz presides over this organization with Belle Rader serving as vice-president; Rebecca Grose, secretary; and Shirley Wagner, treasurer.

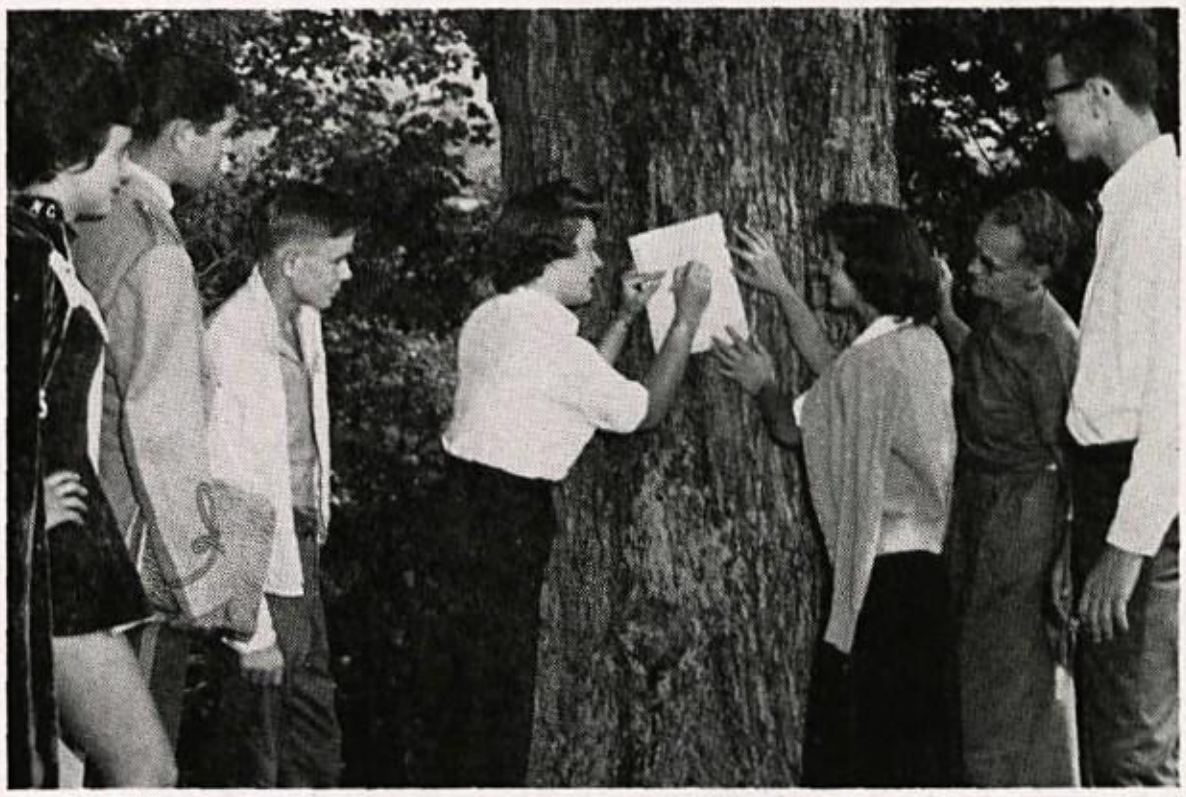
"Merry Thespians" meet in the auditorium for some "extra-curricular" activities: **On stage:** Rebecca Grose, Geraldine Sparks. **Standing:** Shirley Wagner, Nancy Huffman, Lynda McDowell, Martha Wallen, Mrs. Mary Neal, sponsor. **Tickling the ivories:** Kelly Lett, and Donald Dietz.

The Social Committee says yes or no to all social activities sponsored by any school club or organization. The committee is composed of six members, two from each of the three upper classes.

At the end of the school term, two freshmen are chosen by the Guidance Council to replace the two out-going senior members.

Their job is to see that each activity is properly chaperoned and a clean-up committee is on hand after it is over.

Any student is eligible who maintains good grades and has a good character.



"To dance or not to dance" may be the question confronting these members of the social committee: Becky Walker, Donald Dietz, Joe Bennett, Karen Dotson, Patsy Brake, Mrs. Lucy Carroll, sponsor, and Terry Fyock.

We Plan Your School Activities, Fun

The Assembly Committee is responsible for our entertaining and instructive assembly programs. It is composed of six members, two from each of the upper classes.

Students are selected for this committee on a basis of leadership, personality, character, and scholastic achievement.

This committee works very hard to find outstanding programs in the fields of entertainment and instruction for the students.

In May of each year two students from the freshman class are chosen by the Guidance Council for a period of three years.

"We'll have a movie on Friday and an assembly featuring a visitor the following week" could be the decision of the assembly committee as they meet to work out a schedule: Mary Ann Summers, Mary Lee McDaniel, **seated;** Benjamin Backus, Mrs. Lucy Carroll, sponsor, **kneeling;** Becky Grose, Gary Beale, and Brooks Groves, **standing.**

"We're not joining the Waves, just reading the information so other students can obtain the information from us." Ruth Grogg, David Groves, Mary Ann Summers, Benjamin Backus, Vanra Grimes, Paul Cook, and Lynda McDowell guidance council members, look over the shoulder of, Mrs. Gladys Vaught, counselor.

We Help, Guide Our Fellow Students

Do you know who goes to all the trouble of giving those vocational tests? Giving tests, scoring tests, filing requests for admits, filing and checking out vocational material to students, making profile sheets are only a few of the many jobs performed by the Guidance Council.

Each member works one hour everyday with the counselor, Mrs. Gladys Vaught. They help to save her time and work so that she can administer her worthwhile services to the students.

Performing a valuable service to the school, this busy and active group is composed of four seniors and four juniors. Toward the end of each school year, two girls and two boys from the sophomore class are chosen by the council to take the place of the graduating seniors. Scholarship, character, dependability, and co-operation are some of the traits taken into consideration when selecting new members.

Noon hour movies and many other projects are sponsored by the Guidance Council. Our student handbook is published by the Guidance Council. Articles on vocations, scholarship, apprenticeship training programs, and other helpful information appear in the school paper each month.

School letters are awarded to the senior members of the council at the beginning of the senior year in recognition of the highly useful work they perform for their school.

Two seniors, a boy and a girl, are chosen each year by the Guidance Council and the faculty, to receive the citizenship awards sponsored by this group. These seniors are chosen for their outstanding citizenship during their four years in high school.

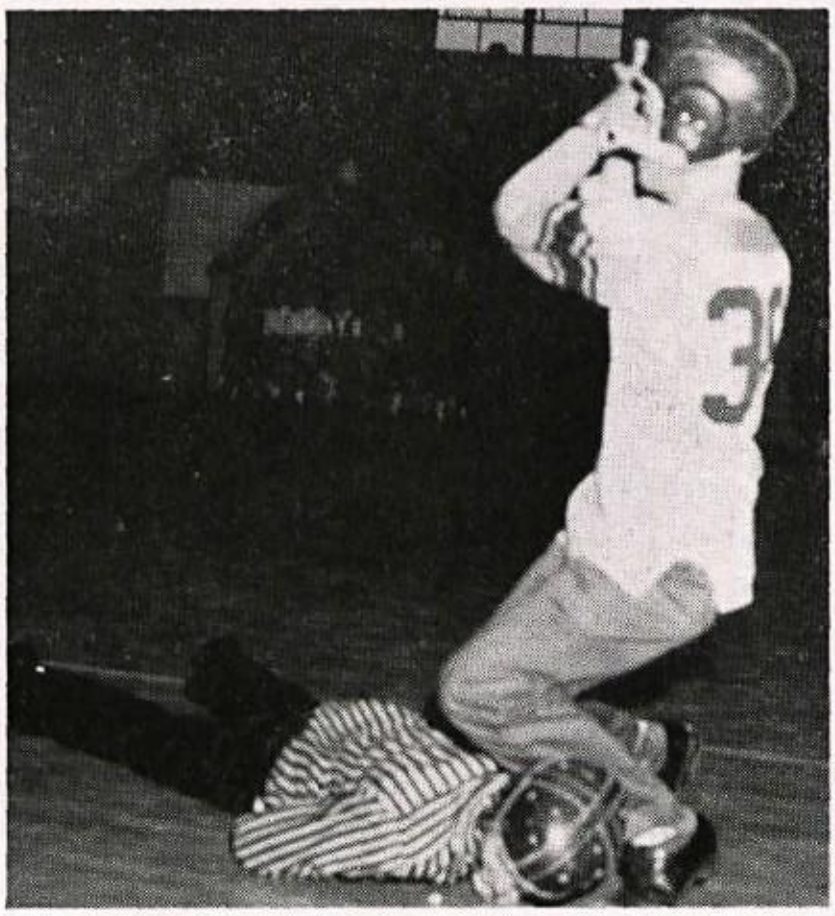
The council assists with such guidance services as College Day, Career Day and Eighth Grade Visiting Day. Since the Assembly Committee and Social Committee are a part of the school's guidance services, members for these committees are chosen by the Guidance Council with the approval of the faculty.

Each year the Guidance Council is chosen to participate in the American Education Week activities. This year they honored the teachers with an apple to eat and an apple pin to wear. Benny Backus gave a talk over the communication system on "What Is The Teacher."

Officers of the organization are Benny Backus, president; Ruth Grogg, vice-president; Lynda McDowell, secretary and treasurer; and David Groves, reporter.

"Well, there goes my son, daughter, maid, butler and heaven knows what all," says Kelly Lett, who acts the part of Mr. Martin, in the junior play. It seems they are all entering into matrimony, which we don't doubt from Becky's look at Terry. **First row:** Terry Fyock, Becky Walker, Dale Dodrill. **Second row:** Vanra Grimes, Mary Ann Summers, Paula Ward, Bill Seiber. **Third row:** Dewey Berry, Patty Facemire, Berton Grose, Kelly, Brenda Rogers.

Juniors Present 'The Whole Truth'



To tell the truth the junior play "The Whole Truth" was truly enjoyed by everyone. Mrs. Irene Skaggs and Mrs. Virginia Simms directed the production which was presented in the auditorium in two performances, November 19.

In the play, Kelly Lett, as Mr. Martin receives news that Berton Grose as Mr. Mundorf, an impressionable business associate from which he must borrow some money in order to keep from going bankrupt, is dropping in unexpectedly while the servants are gone.

To impress Mundorf the Martin's children played by Dale Dodrill and Becky Walker are drafted as servants. Since Mrs. Martin, Mary Ann Summers, put the house on a truth basis complications arise especially when the children's sweethearts, Terry Fyock and Brenda Rogers, happen along. When everything looks lost, Aunt Mat, Vanra Grimes, forks over the dough. Other members of the cast were Dewey Berry, Patty Facemire, Bill Sieber, and Paula Ward.

One of Coach Gladwell's growlin' Grizzlies (Bill Sieber) grounds an "invading Lumberjack" (Jim Cox) in the Thespian Pep Assembly.

This group of Future Teachers read a bit about teaching as a profession. **First row:** Marie Ogden, Mary Ann Summers, Jeannean Murphy, Priscilla Rohmiller, Patty Facemire. **Second row:** Elizabeth Keener, Brenda Rogers, Dale Dodrill, Paul Cook, Jean Legg, Elizabeth Painter, Lynn Young, Berton Grose.

To make the teaching profession more attractive to students who plan to enter that field is the purpose of the Future Teachers Club.

Members must show an aptitude for teaching; possess high morals, strong character; and rate high in scholastic achievements.

To become a member, a student is given a teaching aptitude test which determines his ability in the field of instruction. A student making 95 per cent or above on the test, having a C plus average and approved by the faculty will be admitted to the club.

The club is composed of 57 junior and senior members. Representatives are sent from the local club each year to the Future Teachers Conference at Jackson's Mill.

Purpose of FTA Is To Make Teaching

Receiving pointers on teaching from David Lunter, this year's FTA president, are these "attentive" members. **Seated:** Tiny Cogar, Carolyn Wilde, Lynda McDowell, Rebecca Grose, Nancy Rose, Belle Rader, Bette Anne Trent, Teresa Pugh, Nancy Huffman. **Standing:** Sandra Walker, Ruth Ann Grogg, Carol Frame, David, Shirley Wagner, Patty Backus, Lynda Beale, and Nelson Moore.

After gaining membership one must earn at least nine points to stay in the club. These points may be earned by substitute teaching, reading educational books and pamphlets, and grading papers. This also gives experience in future teaching.

This year during American Education Week the club members were asked to substitute for all the teachers.

Too often the public fails to realize the importance of a teacher. Remember outstanding scientists first had to be taught.

Officers of the club are president, David Lunter; vice-president, Clyde Bailey; secretary and treasurer, Lynda Beale. Miss Alice Grose is sponsor.

"No loafing in the halls" is disregarded by this group of "future teachers." Jerry McCue, left, must have pulled some joke by the laughter of Becky Walker, standing, Vanra Grimes and Twyla Perrine, seated. Others "blocking the stairs" are clockwise Martha Barnette, Brenda Hinkle, Ann Coffman, Shirley Snodgrass, John Grose, Sandra Perkins, Barbara Perkins, Ramona Frame, Virginia Jessup.

Profession Appear More Attractive

Kenneth Shalap demonstrates the theory of "applied psychology" on Roy Stout while Geraldine Sparks holds the "Board of Education." Enjoying this bit of activity are Miss Alice Grose, sponsor; Martha Wallen, Sandra Given, Charlene Tyree, Donald Deitz, Paula Taylor, Myrna Coffman, Betty Haynes, Connie Sattler, and Sue Roark.

"Your first printed article is always the most exciting to journalism students. This Journalism I class evidently is searching for that first": David Groves, Thomas Young, Delbert Vickers, Judy Hypes, Lula Dimeglio, Janet Dodrill, Nancy Roberts, Nancy Workman, Lula Ganoe, and Betty Workman.

"Get those features and editorials in by Friday, that's the deadline" is an expression which means "get busy" and is heard by Journalism I and II students many times during their "reporting" lives.

Supervised by Mrs. Kathryn Drennen these students work hard to gather news, write all sorts of entertainment, and then Journalism II students put the school paper, The Gold and Blue Record, together.

Journalism II students also help with the annual.

Journalists Rove, Write, Publish Papers

Amid candy, cookies, and "confusion" these Journalism I and II students manage to help "put out" the school paper. **Front row:** Patricia P'Simer, Bruce Malcolm, Elizabeth Painter, Donald Dietz, and Bette Trent. **Second row:** Sandra Smith, Bill Miller, Kelly Lett, Tiny Cogar, and Bobbie Vass.

The 1960 Nichlosean was made possible by the Senior Class, Mrs. Kathryn Drennen, Miss June Beamer, and Miss Vergie Groves.

The annual staff was divided into two groups—the layout staff and advertising staff. The layout staff planned the annual, did all writeups, picture identifications, the cutting and pasting of all the pictures, and the selection of the theme and the cover.

The advertising staff was responsible for the money from the sale of ads and the booster list. Seven seniors went to the English classes collecting payments for annuals once a week.

The main object of the two groups was to try to improve the annual to a first class annual.

Nobody can say that the advertising staff isn't a close-knit unit, especially if they all manage to crowd into "that" car. **First row:** Carol Frame, Paula Taylor, Danny McClung, Teresa Pugh, Betty Lou Hamilton, Carol Morris and Margaret Fowler. **Second row:** Skippy McClung, Ernest Withrow, Bucky Bennett, Kenneth Shalap, Dave Lunter, Ronnie Greer, Belle Rader, and Ramona Frame. **Third row:** Mary O'Dell, Norma Copenhaver, Kay Cogar, and Shirley Wagner.

We Struggled To Improve Our Annual

"Typing, cutting, measuring, writing, pasting, and a little bit of almost everything helped to compose our annual." Bette Trent, Donald Dietz, and Tiny Cogar, center front table, were the members of the editorial staff. Becky Grose, seated at right end, drew the layouts for the pictures. In charge of the pasting were Kenneth Nicholas, Robert Duffy, Nancy Huffman, Geraldine Sparks, and Karen Adkins at left and Eddie Grose at right. Dorothy Brown and Doris Brown, center back table, and Karen Dotson, right rear, did the typing.

Various elements of the earth are measured by these Science Club members. **Front row:** Nelson Moore, Kathy Resick, Judy Mullens, Marie Ogden, Tiny Cogar, Paula Taylor, David Lunter. **Back row:** Terry Fyock, Dewey Berry, Teresa Lipsinic, Vanra Grimes.

Science Club Symbolizes Progress

The examination of a gentle little butterfly or a horrible rattlesnake makes no difference to these Science Club members: **Kneeling:** Danny McClung, Roy Stout. **Standing:** Bill McIntire, Brenda Rogers, Gary Beale, Donna Smallwood, Teresa Pugh, James Losch, Kelly Lett, Dale Dodrill, Sandra Smith, Carol Drennen.

Progress is the door into the future, and science is the hinges on which it swings. Perhaps someday a one-time Science Club member may help to oil those hinges. This then, is the objective of the Science Club, to create an interest and ambition toward a career in science among high school students.

Since the club's organization last year, membership has grown to 54 strong. Membership is open to any sophomore, junior, or senior, with an interest in science. To be a genuine "mad scientist" each member must have constructed a project covering any phase of science, to enter into the annual Science Fair held in the spring.

"We'll mix a dab of this with a dash of that and a sprinkle of this and just hope that we aren't mixing an explosive." **Front row:** Becky Young, Patty Facemire, Nancy Huffman, Charlene Tyree, Connie Matheny, Manoka Loving, Mary Jo Brown, Deanna Grose. **Back row:** Becky Walker, Joe Young, Brooks Groves, Okey Jackson, Lynn Young.

And Advancement Into The Future

The students whose projects were selected as winners entered their exhibits in the regional fair at West Virginia Tech in Montgomery, on April 8-9. The entire club traveled to Montgomery to participate in the fair.

During each regular meeting, one or two students are delegated to prepare and present a program before the club at the next meeting. These are but a few activities of the club.

Officers for the organization are Donald Deitz, president; Okey Jackson, vice-president; Tiny Cogar, secretary; and David Lunter, treasurer.

Mrs. Nancy Brown and Edgar Lett sponsor the club which has completed its second successful year.

Activities of the Science Club are really varied as Bill Seiber works with a gieger counter and Shirley Wagner examines tiny insects to the enjoyment of other members. **Kneeling:** Bill Sieber, Charles Sieber, Larry Jones. **Seated:** Deloris Adkins, Lou Gill, Jeannean Murphy, Joyce Ward. **Standing:** Nancy Brown, Jean Legg, Karen Dotson, Sandra Grogg, Dianne Stevens, Paul Cook, Donald Deitz, Nila Rollins, Karen Adkins, Belle Rader, Shirley Wagner, Jerry Tinney.

"We're really hep for that B-Squad" Martha Monroe, Zelma Taylor, and Marie Monroe seem to indicate by this practice position.

Cheerleaders Kindle Sparks of Pep

Those certain girls who always keep up the school spirit on the ball field, though losing or winning, are our cheerleaders. They are attractive, peppy girls who show fine school spirit, enthusiasm and co-operation, not only at ball games, but during all school activities.

Besides being a good cheerleader, a girl must be an all-around student. She must have an attractive appearance, conduct herself well and have a good character.

A school letter may be earned by a cheerleader after one year of cheering. Mrs. Marguerite Halstead is sponsor of the cheerleaders.

Rain, sleet, or snow, these faithful junior high cheerleaders are always willing to lead a cheer for their team: Joann Stevens, Kay Amick, Ruth Lynn Miller, and Rosa Lea Groves.

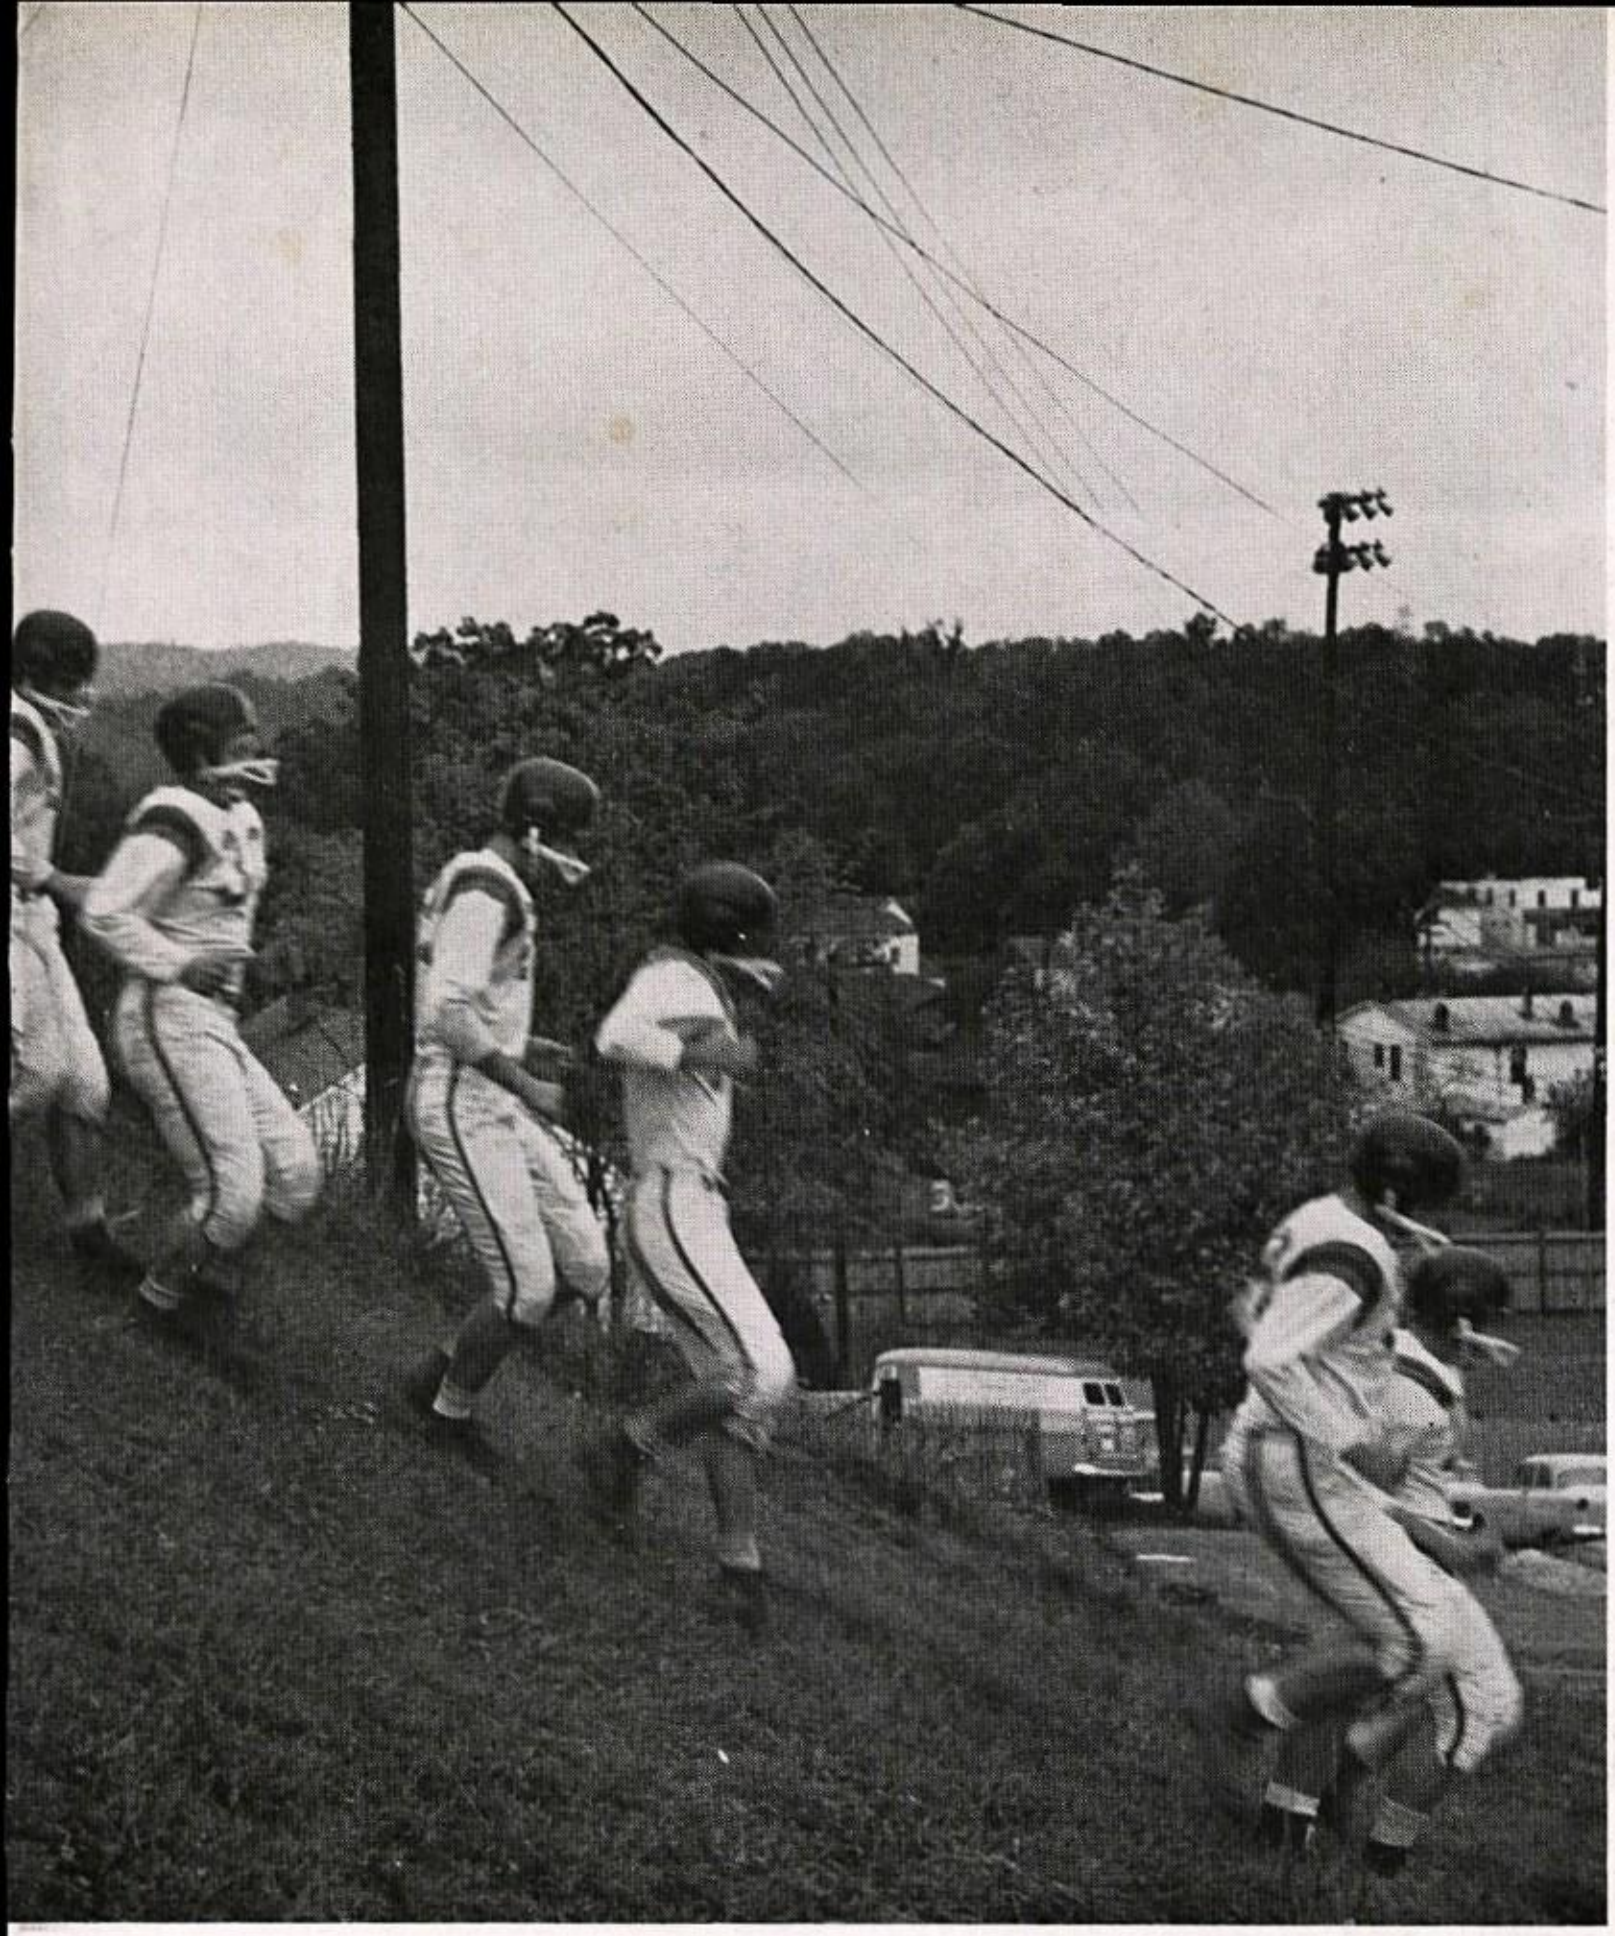
As the percussion section gives life to the orchestra,
so do the sports give life to our school.
The rhythm of the "Stars and Stripes Forever" is heard
and the liveliness of our athletic teams is brought to mind–
variable but lively. This is a year that we shall
never forget because of the success our teams achieved.



THE STARS AND STRIPES FOREVER

"Never give up," seems to be the motto of these stalwart gridmen as they battled through games played in downpours; on cold, frosty nights; as well as a few in "perfect" football weather. **First row:** Fred Holley, Delmus Lucas, Bill McIntire, **Bill Harlow, Gene Strickland, David Lunter, Jim Thompson, John Lewis, David Burnette, John Rapp, Jim Cox,** Gary Chapman, Jimmy Keith, Stanley Herold. **Second row: Fred Roberts,** manager; Fred Foster, Roger Chapman, John Hamon, Mitchell

Varsity 'Farewells' 9 Senior Gridmen;

Finishing the current grid season with a record of four wins, five losses, and one tie, the Grizzlies' "growl" stayed with them until the final gun of every game. John Hamon led the Bears in individual yardage with 542 yards gained, followed by Bill McIntire with 444, Joe Young 361 yards, and Fred Holley 110 yards.

Bill McIntire led in scoring with 26 points. Joe Young and John Hamon each added 15 points, closely followed by Fred Holley with 12 points. John Lewis and Dale Dodrill rounded out the scoring with each contributing 6 points to the campaign.

NCHS 13—Cowen 0

Capitalizing upon two breaks, the Grizzlies upended Cowen in the opening game for both teams. Bill McIntire started the offense rolling early in the first quarter as he sprinted 20 yards to score. In the second quarter, John Hamon cracked over from three yards out to add the final TD. Joe Young plunged over for the extra point.

NCHS 6—Fayetteville 20

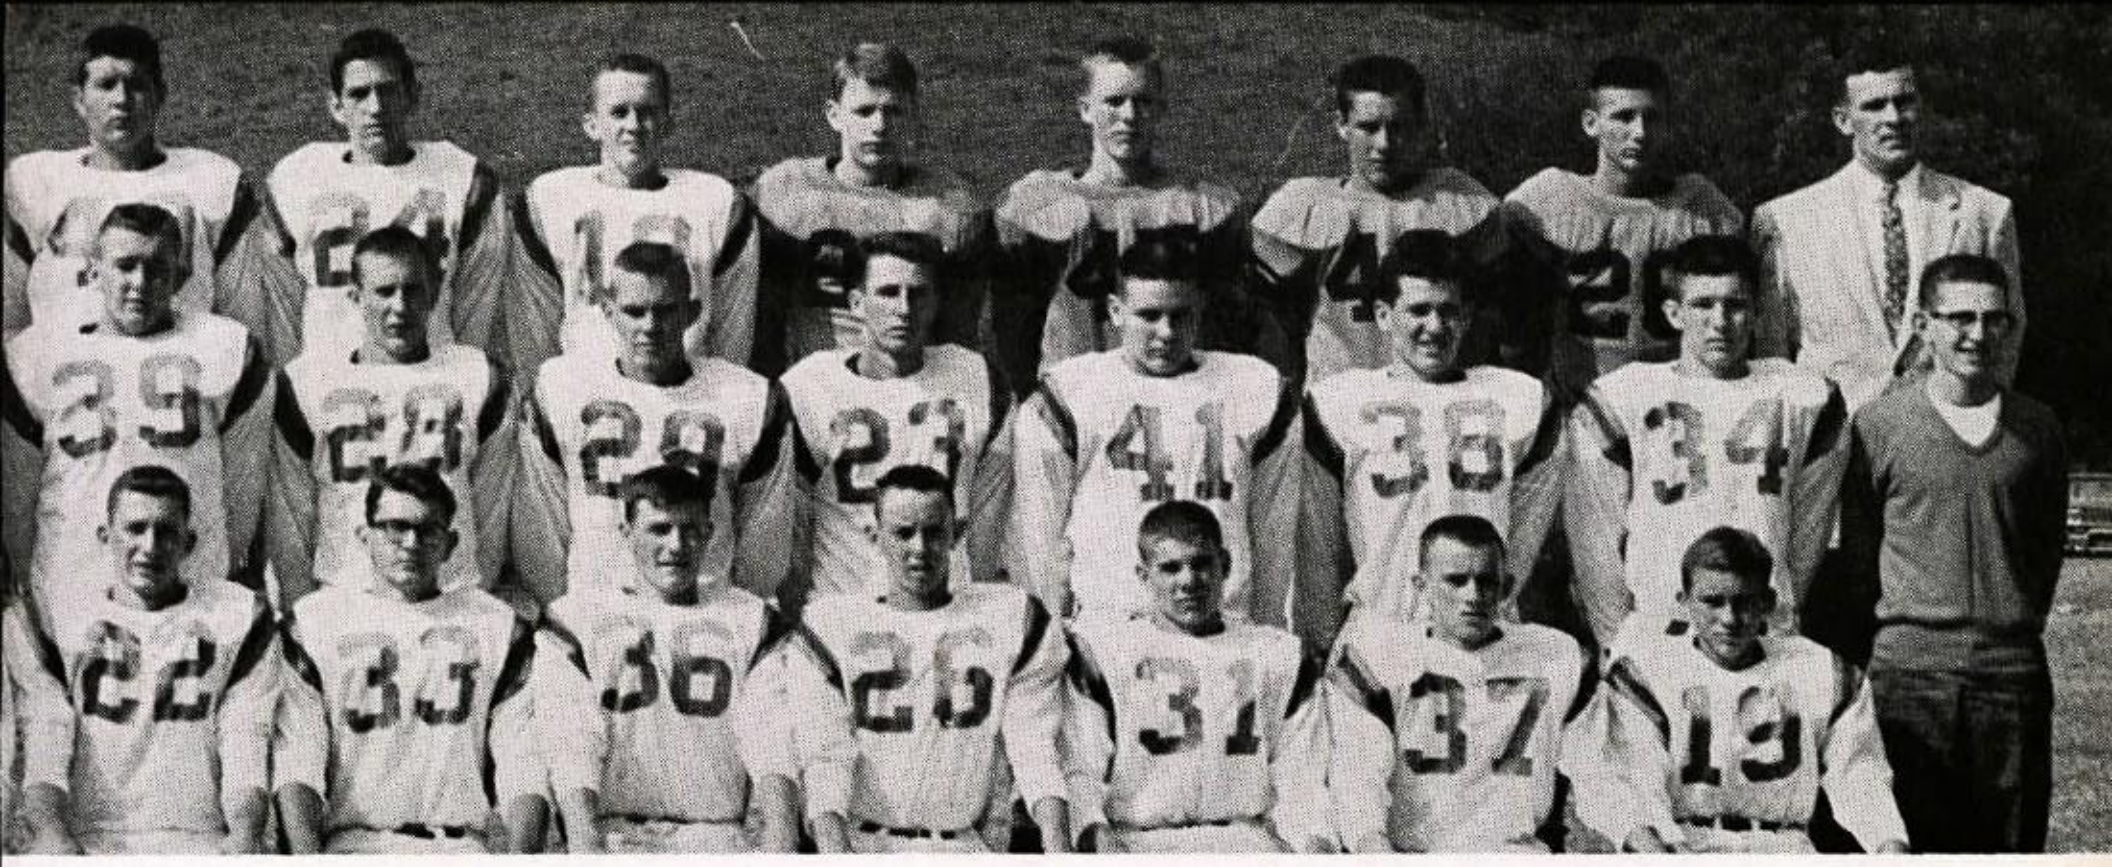
Showing offensive superiority the Fayetteville squad scored all 20 points in the first half to hand the Grizzlies their first loss of the season. John Learmont pushed across the first score for the opposition from two yards out. Then in the second stanza, Frank Spangler dashed 85 yards to score and Rick Diegl intercepted a pass thrown by Fred Holley and ran it back 22 yards to paydirt. Learmont plunged for the two P.A.T.'s in the second quarter. A long run by Joe Young set up the Grizzlies only TD, late in the fourth quarter, with Bill McIntire plunging over from the one yard stripe.

NCHS 7—Clay 0

Leading in total yardage 162 to 109, Clay could not get a successful offensive drive working. Fred Holley connected with John Lewis for a 40 yard pass-play combination in the first quarter for the lone tally of the game. Joe Young plunged for the PAT. A series of Panther fumbles in the fourth stanza gave the Grizzlies opportunities, but they could not capitalize on them.

NCHS 28—Gassaway 0

Hitting the road for the first time, the Grizzlies smothered the Elks as they added seven points in each quarter. Dashing 41 yards to score, John Hamon started the team rolling and Bill McIntire added the PAT. A 12 yard pass-play from Fred Holley to Dale Dodrill tallied the second score with Joe Young plunging for the PAT. Following the intermission, Joe Young scored on a one-yard



Williams, Darrell Jones, Dale Dodrill, Terry Fyock, Joe Young, Wesley Bird, Eddie Lilly, Paul Groves, Larry Nutter, Henry Legg, Garvin Black, and Newman Woods, manager. **Third row:** Coach James Gladwell, Larry Legg, Jimmy Grose, James Loving, Paul Riffle, Larry Ellison, Joe Deitz, Bill Young, Larry Coffman, Brooks Groves, Colin Moore, Shirley Hamric, John Ayers, Larry Holstein, and Assistant Coach Robert Perkins. Names of senior members are in darker type.

'Fighting' Spirit Highlights Campaign

plunge. Bill McIntire ran 13 yards in the final quarter to score. John Hamon scored the two final PAT's.

NCHS 0—Webster Springs 6

Running into trouble, the Grizzlies were stopped cold by the Wildcats. The Bears led in both first downs and total yardage but could not find the end zone. The tension of the deadlocked game was finally broken in the third quarter with an explosive 55 yard gallop by Exel Lynch.

NCHS 7—Gauley Bridge 20

Trying to hit the winning column, the Grizzlies were again stopped by the powerful Travellers. Buz Fish plowed over for Gauley's first TD. The Grizzlies pulled ahead in the second stanza on a one-yard plunge and a PAT by Bill McIntire. The Travellers went ahead to stay in the fourth quarter with a one-yard plunge by Danny Wyant and Vernon Scarbro for the two final TD's. Wyant kicked the two PAT's.

NCHS 6—Rupert 26

Favored Rupert handed the Grizzlies their third straight defeat before a large homecoming crowd. Rupert's Tommy Greer scored the first TD with a one-yard smash with David Hall adding the PAT. In the third quarter the Grizzlies Joe Young scored on a one-yard plunge but Rupert came roaring back as Tommy Greer broke loose for a 60 yard run and Hall again plunged for the PAT. Two intercepted passes accounted for the Crimson Tides final tallies in the last stanza.

NCHS 13—Sutton 0

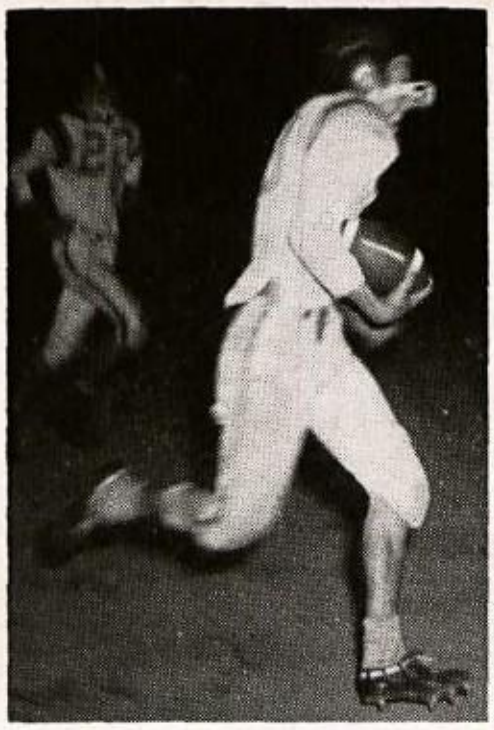
Playing on a rain drenched field, the Grizzlies "out-mudded" a spirited Sutton squad. Fred Holley dashed 62 yards in the first period to paydirt and John Hamon ran the PAT. The final tally came in the fourth stanza. Following a five yard penalty, the wet pigskin slipped from a Blue Devil players' hand and was covered in the end zone by Fred Holley.

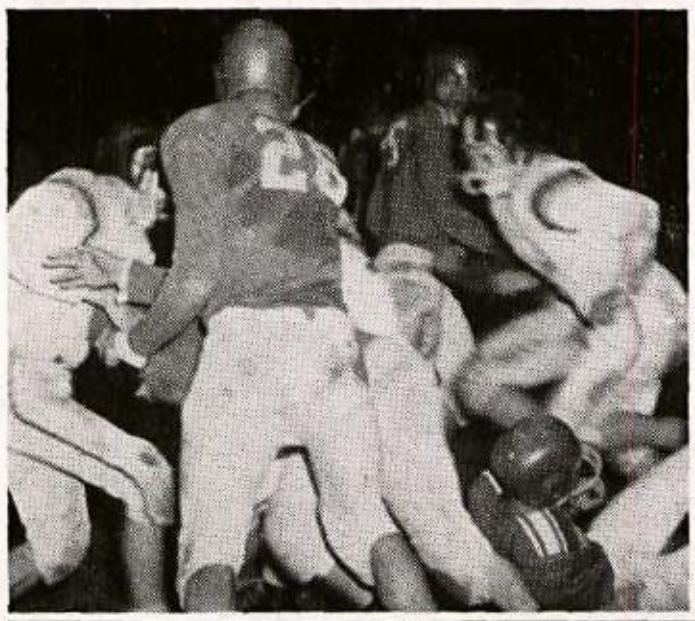
NCHS 0—Ansted 0

Coach James Gladwell's Grizzlies were unable to put together the right combination thus ending in a deadlock with Ansted. The Highlanders led in total yardage but a staff Bear defense contained them at the goal lines.

NCHS 0—Richwood 14

Climaxing the season, a fired-up Lumberjack eleven breezed by the Grizzlies to take the county championship. Howard Osborne scored on an 18-yard dash to paydirt. The final "Jacks" tally came in the last period with a 33 yard TD by Gerald Perrish. Doug Stewart kicked both extra points.





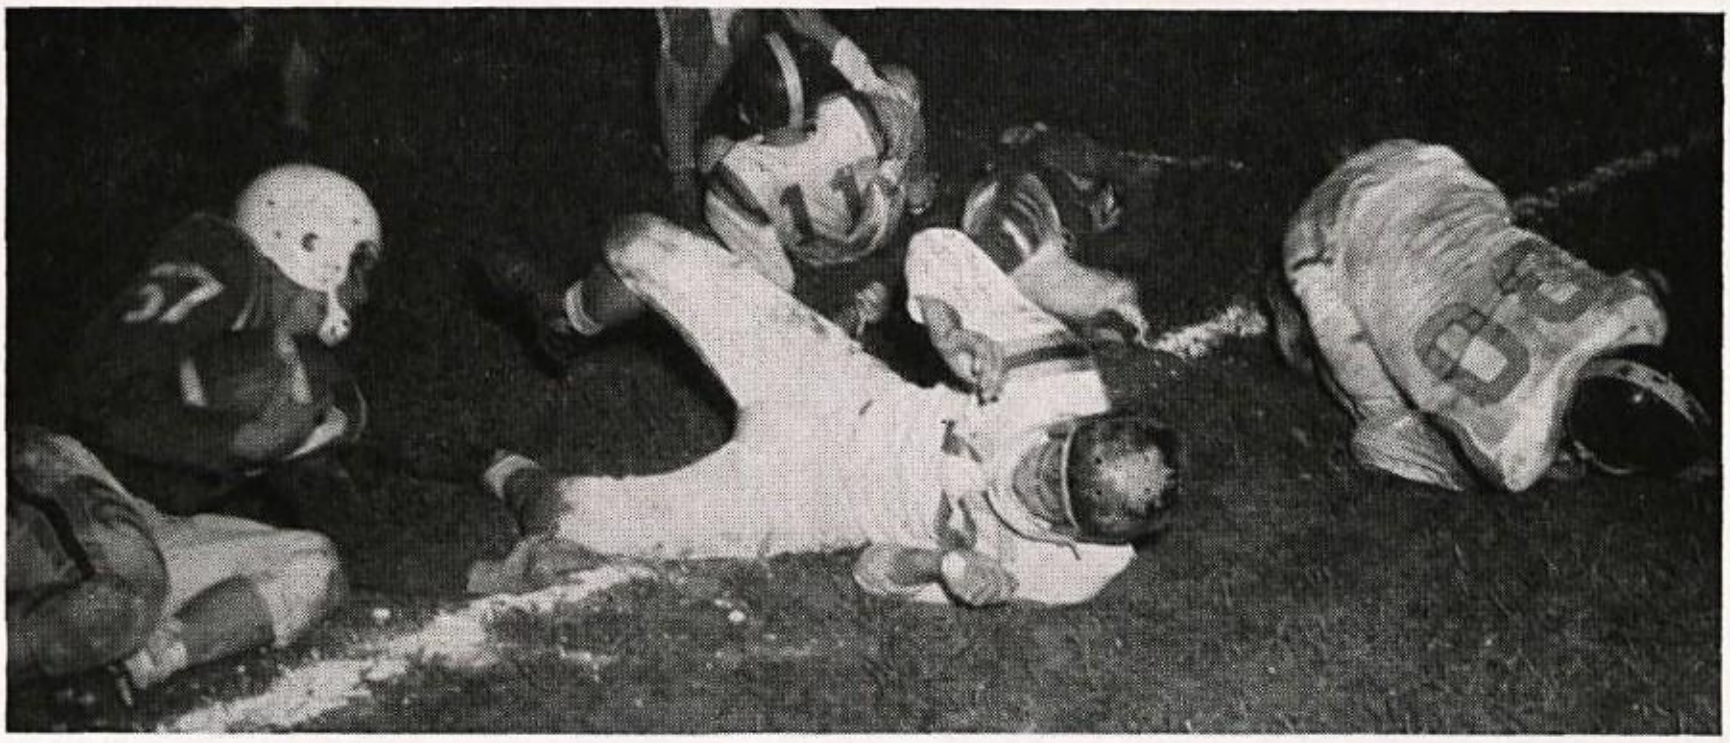
Excitement Here

Top left: John Hamon dashes to the end zone trailed by John Lewis in the lopsided victory over Gassaway.

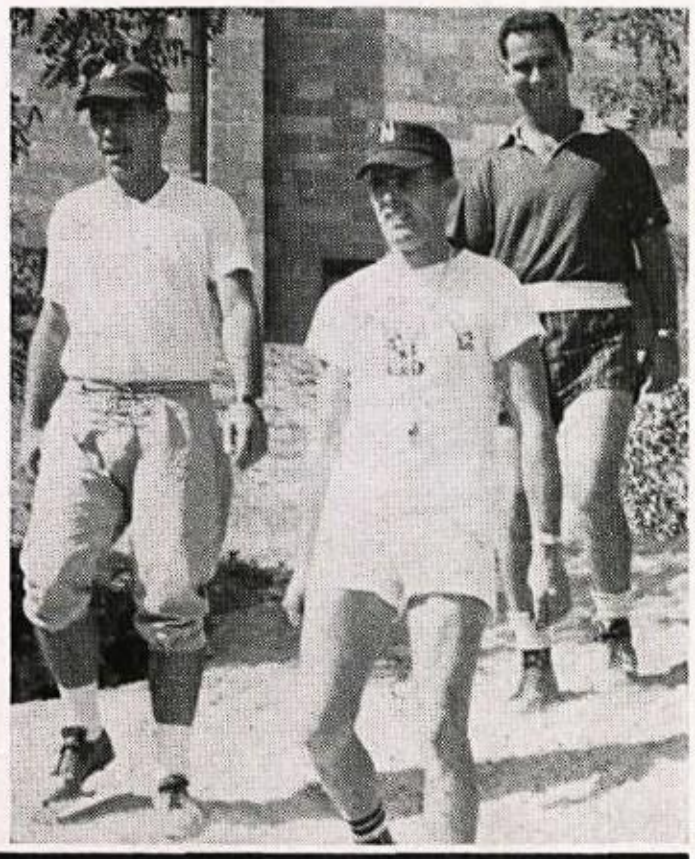
Top right: Mud, mud, and a host of Sutton tacklers do not stop John Hamon as he ploughs through an opening.

Left: "Say, where did the ball go?" Scenes like this were predominate in the hard-fought tie game with Ansted.

Bottom: "Is it a TD or not?" Mixed emotions are shown on the faces of the Grizzlies "bench" during a close game.



Touchdown runs and goal line stands highlighted the football campaign. Spectator's attendance was always high at both the home and away games. Coach James Gladwell and his assistants were faced with the problem of composing a team from inexperienced players and as a consequence not as many games were won as was expected. As these shots point out, it was a colorful season.

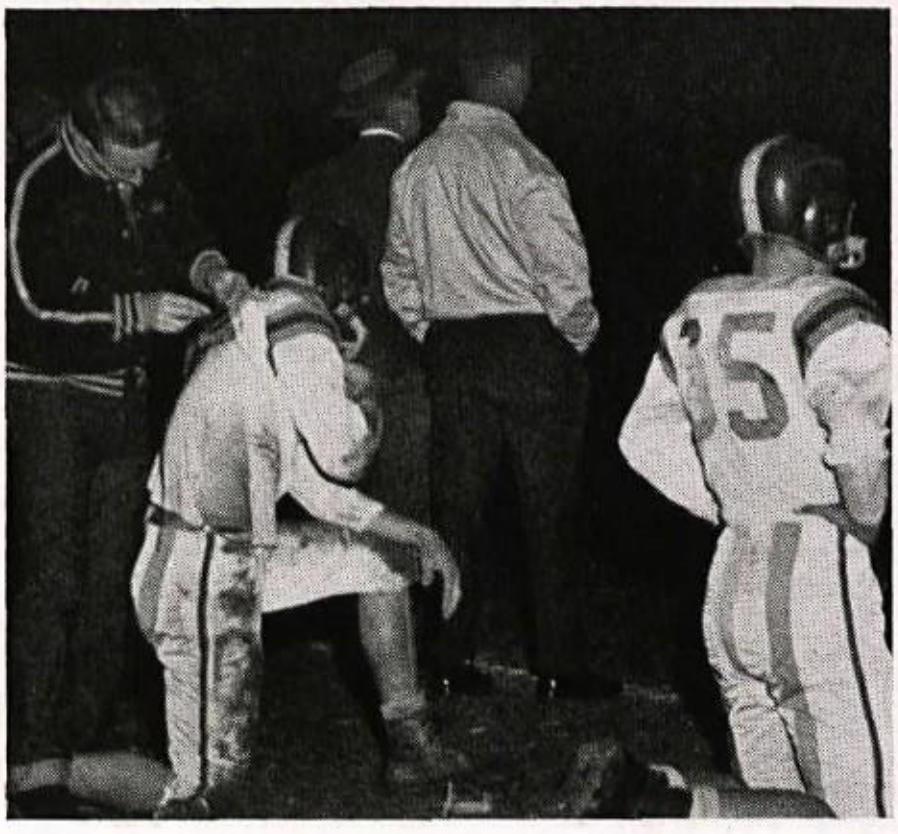


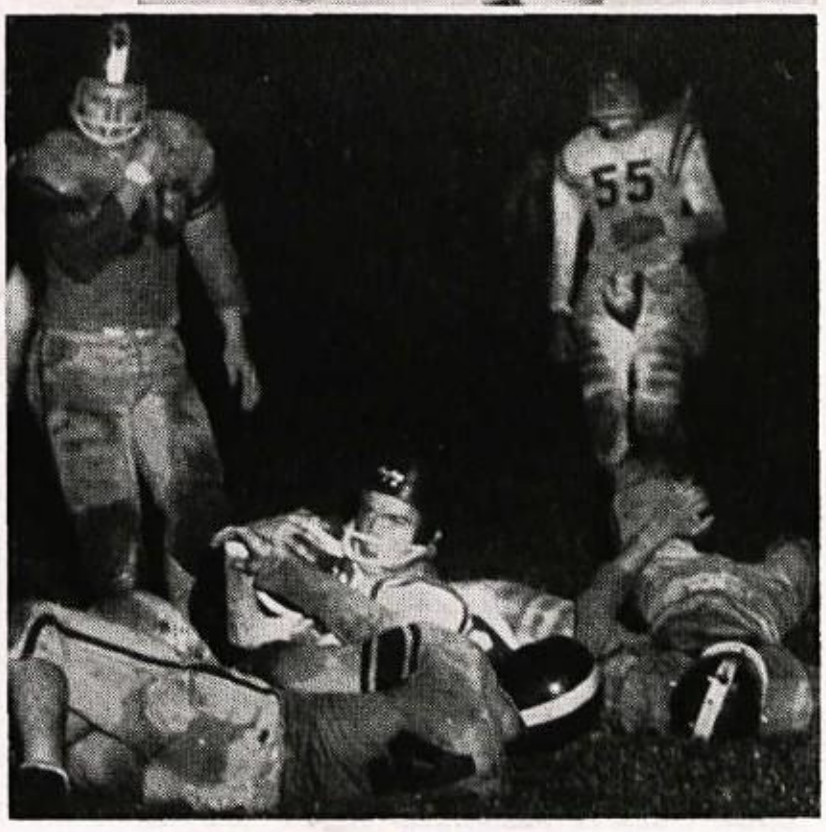
Top: Tommy Greer, Rupert's halfback, is forced to the turf by Roger Chapman (15), Fred Foster (30) and Bill McIntire.

Right: "Perky old boy, what pretty legs you have," we can just hear Coach James Gladwell saying, as he and his assistants, Robert Perkins, and Bernard Poole (who seems to be in full agreement) take to the field for a day of football practice.

Bottom left: Behind the scenes action, Manager Fred Roberts does some "on the spot" repairs to Larry Nutter's equipment as Coach James Gladwell, Assistant Coach Bernard Poole, and Joe Deitz (35) view the action.

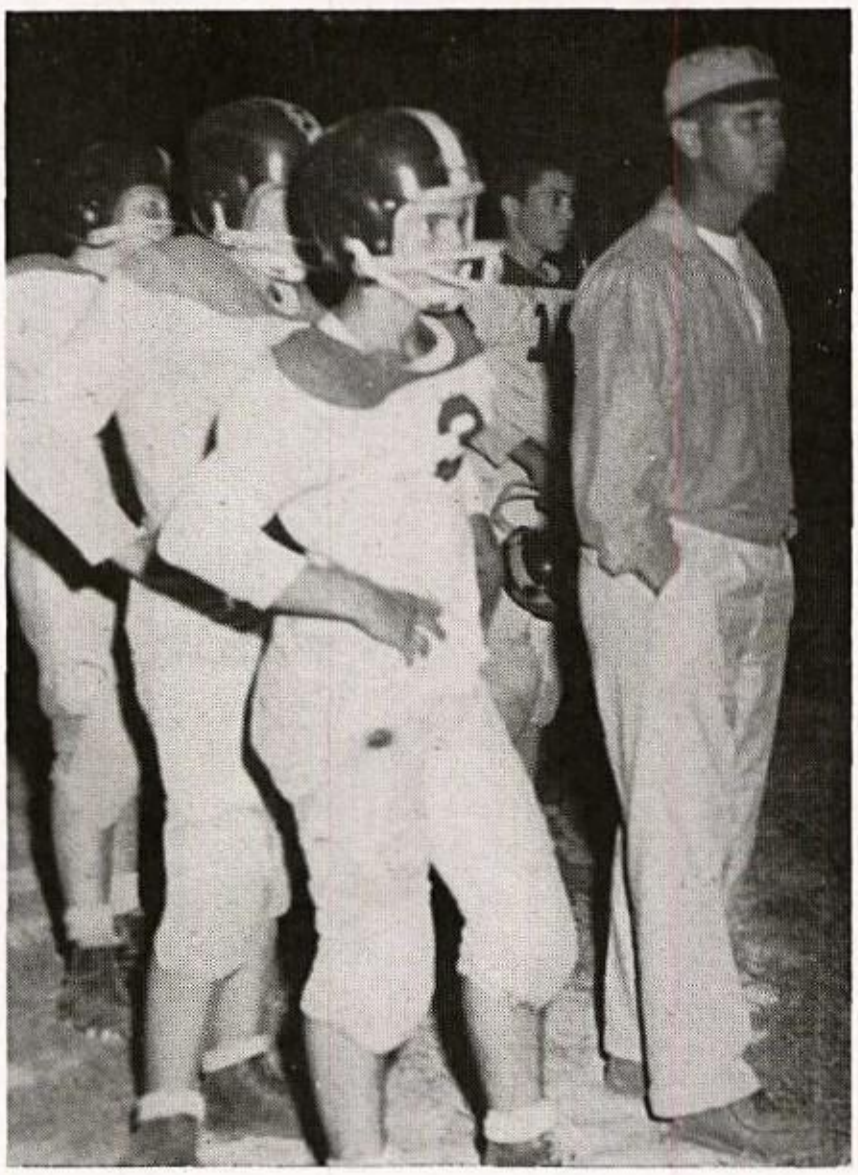
Bottom right: Fred Foster seems to be fascinated by a small pile-up during the Cowen game.





"Little Cubs" soon grow up to be big Bears are the hopes of these junior high boys. **First row:** Billy Tyler, Bill Legg, Paul Elswick, Jackson Trent, Jimmie Adkins, Ray Painter, Roy Adkins, William Pierson. **Second row:** John Sebert, George Vass, Jimmy Mollohan, Dale Hypes, Joe Hamon, Francis Fockler, James McClung, Robert Richmond, Roger Johnson, Larry Underwood, David Hanks. **Third row:** Coach Bernard Poole, Allen Rader, Jack Hinkle, Lowell Thomas, Danny Shaffer, Johnny Acree, Bobby Tyson, James Johnson, Delmas Winebrenner, Rusty Burke, Roger Taylor. **Fourth row:** John Pugh, Francis Henderson, Larry Resick, Jerry Dotson, Charles Smith, Larry Donelson, Gary Miller, Jimmy Kelly, Steve Frame, Charles Foster, Claude Wiblin, Terry Koon, Jimmy Robinson.

Cubs Contribute To Sports Scene



A scarcity of Junior High teams provided only limited action for the Cubs, as Coach Bernard Poole could schedule only four gridiron tilts for the '59 season.

The Cubs faced the Clay Junior High in the season's opener. A TD in the first quarter started the Cubs rolling, and they were never stopped as they crushed the Panthers 13-0.

Montgomery humbled the Cubs on their first road game. Scoring a TD in the last quarter spelled "heart" but not victory as the Cubs were upended 21-7. James Johnson scored the lone Cub tally, with Joe Hamon adding the PAT.

In an afternoon game before the student body, the Cubs showed their power as they blanked the Gauley Bridge Juniors 13-0.

In the season's finale, the Cubs demoralized the Clay Juniors by a 20-7 score. The Cubs showed their power throughout all phases of the game. Heading the Cubs in scoring were Joe Hamon with two TD's, while Danny Shaffer added one. Robert Richmond and James Johnson each plunged over for a PAT.

Due to a misinterpretation of the eligibility rules, the victories had to be forfeited.

In deep concentration, Coach Bernard Poole studies the opposition during a typical hard-fought contest as his substitutes await their call.

Rivalries Provide Wild Enthusiasm

Interscholastic basketball and football dominate the high school sports scene. Varsity, junior varsity, and junior high teams comprise the Grizzlies' representation.

Spring sports are not emphasized as much as fall and winter. If the spring is late there may be no sports. If there is an early spring, there is some track and baseball.

Intramural ping pong and volley ball tournaments are held each year. During the noon hour, the gymnasium is open for the student's recreation. Ping pong tables, basketballs, shuffleboard courts, and a trampoline are provided.

With both boys and girls participating, class basketball tournament time is a festive occasion.

"Concentrate! concentrate on this play boys, and we'll win games," is the theory of Assistant Coach Robert Perkins and his junior varsity. **Kneeling:** Larry Legg, Stanley Herold, Jimmy Grose. **Seated:** Joe Dietz, Fred Holley, Coach Perkins, Wesley Bird, Colin Moore. **Standing:** John Hamon, Mitchell Williams, Terry Fyock, Eddie Lilly, and Henry Legg.

Under the supervision of Assistant Coach Robert Perkins, the junior varsity hoopsters ended the season by winning 11 of 15 battles. Mitchell Williams took top scoring honors by tallying a 10.2 point per game average. Close behind was Dale Dodrill with a 9.89 average, John Hamon, 8.23; Delmas Lucas, 8.22; Eddie Lilly, 7; and Wesley Bird, 5.07. Terry Fyock completed the scoring with a 3.43 average.

Jayvees Compile Impressive Record

Starting the season with a five game winning streak and a pre-season tourney title, the varsity went on to defeat 14 foes while dropping only six games. Bernard Grose led the Grizzlies in scoring by tallying 355 points in 20 games for a 17.75 average. Grose was followed by Bill McIntire who scored 302 points in 20 games for a 15.1 mark; Jimmy Keith, 199 in 20 games for 9.95; Donald Dietz, 187 in 20 games for 9.35; John Lewis, 175 in 20 games for 8.75; David Lunter, 27 in 17 games for 1.59; Delmus Lucas, 9 in 10 games for .9; Dale Dodrill, 9 in 11 games for .82. Terry Fyock completed the roster with no points in one game.

Coach James Gladwell's squad averaged 63.15 points per game while their opponents averaged 61.85.

Bill McIntire showed two impressive performances as he hit for 34 points in the victory over Webster Springs, and 31 in the final Cowen win.

With only four seniors on the squad, hopes are high for another successful season next year. Those graduating seniors are John Lewis, Donald Dietz, David Lunter and Jimmy Cox.

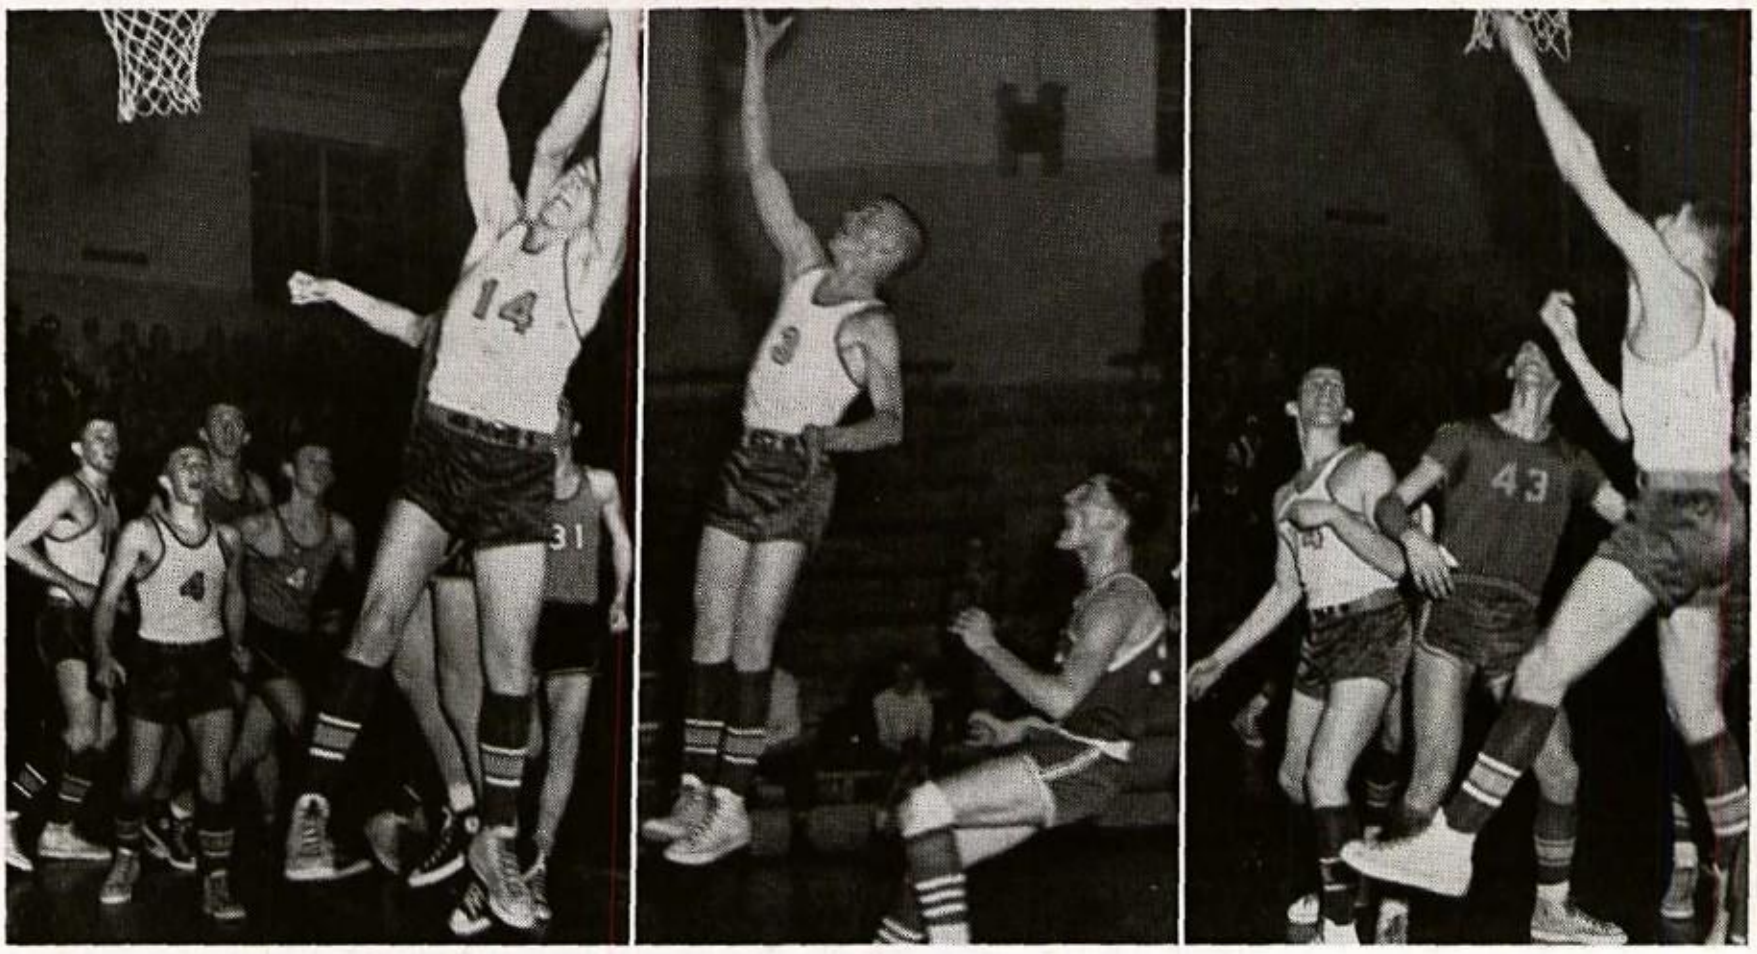
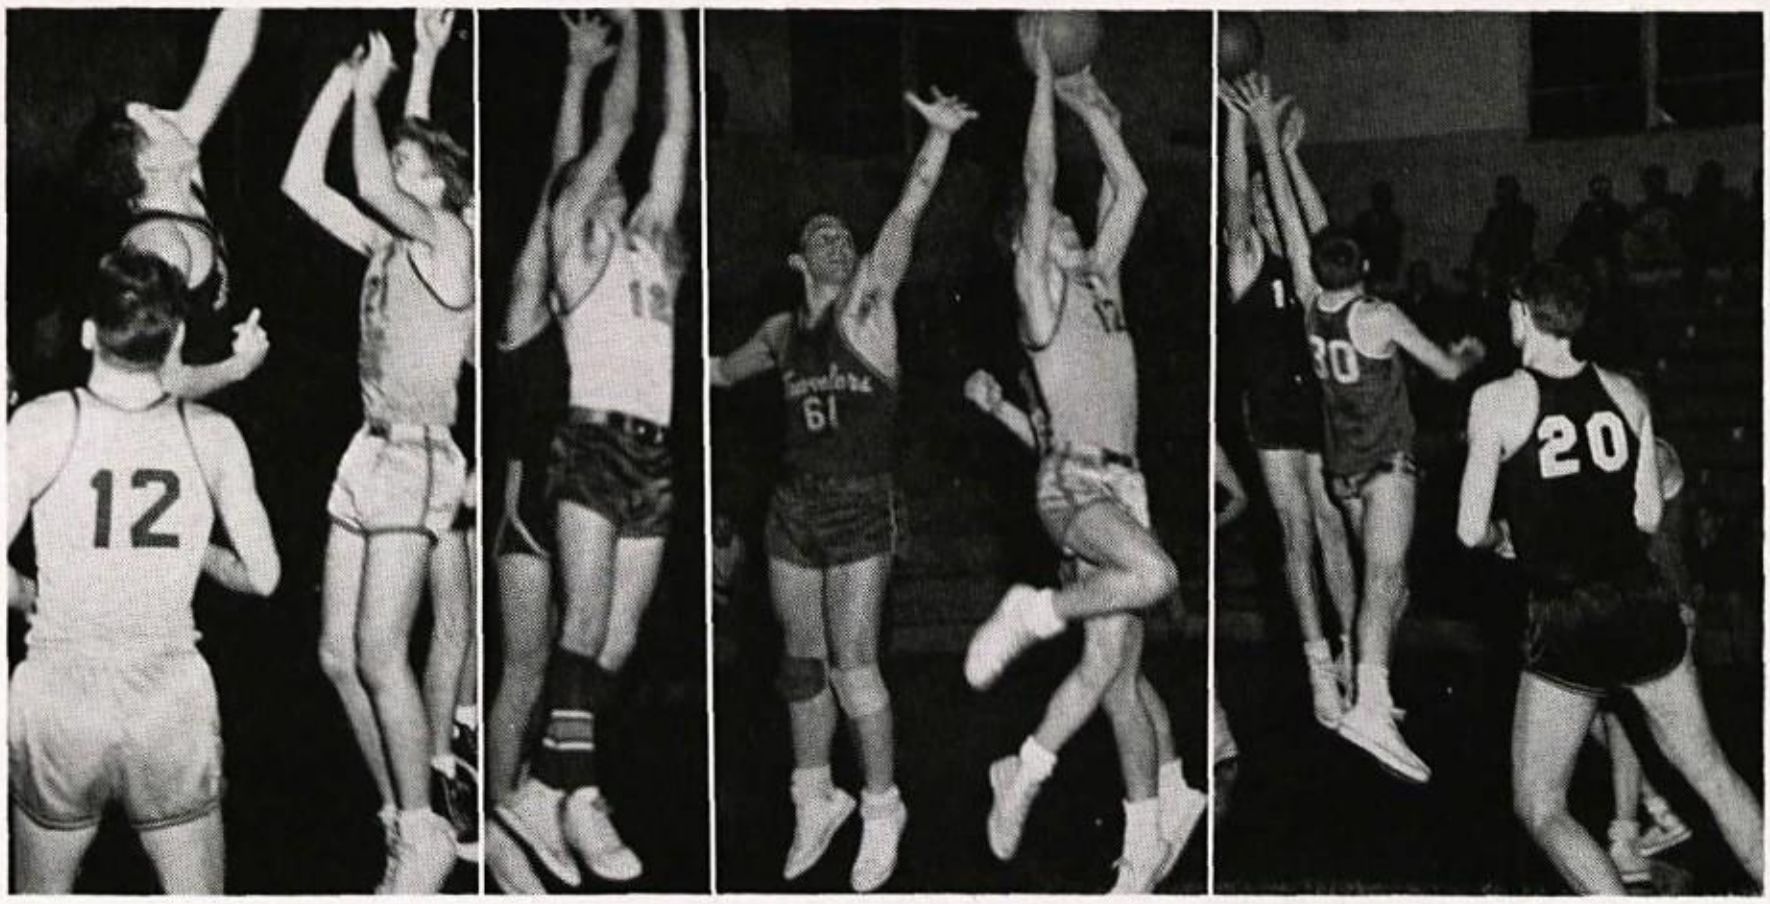
Spectators Enjoy Numerous Thrills

"Clearing the boards," Bernard Grose (14) pulls off a defensive rebound against Richwood. Moving in to aid Grose are Bill McIntire (4) and John Lewis (12). **Center:** Jimmy Keith goes up to "push in" a lay-up on a fast break play against Fayetteville. **Right:** 'Up with his leftie' goes Donald Dietz (11) as he scores a goal. Bernard Grose (14) gets set to rebound.

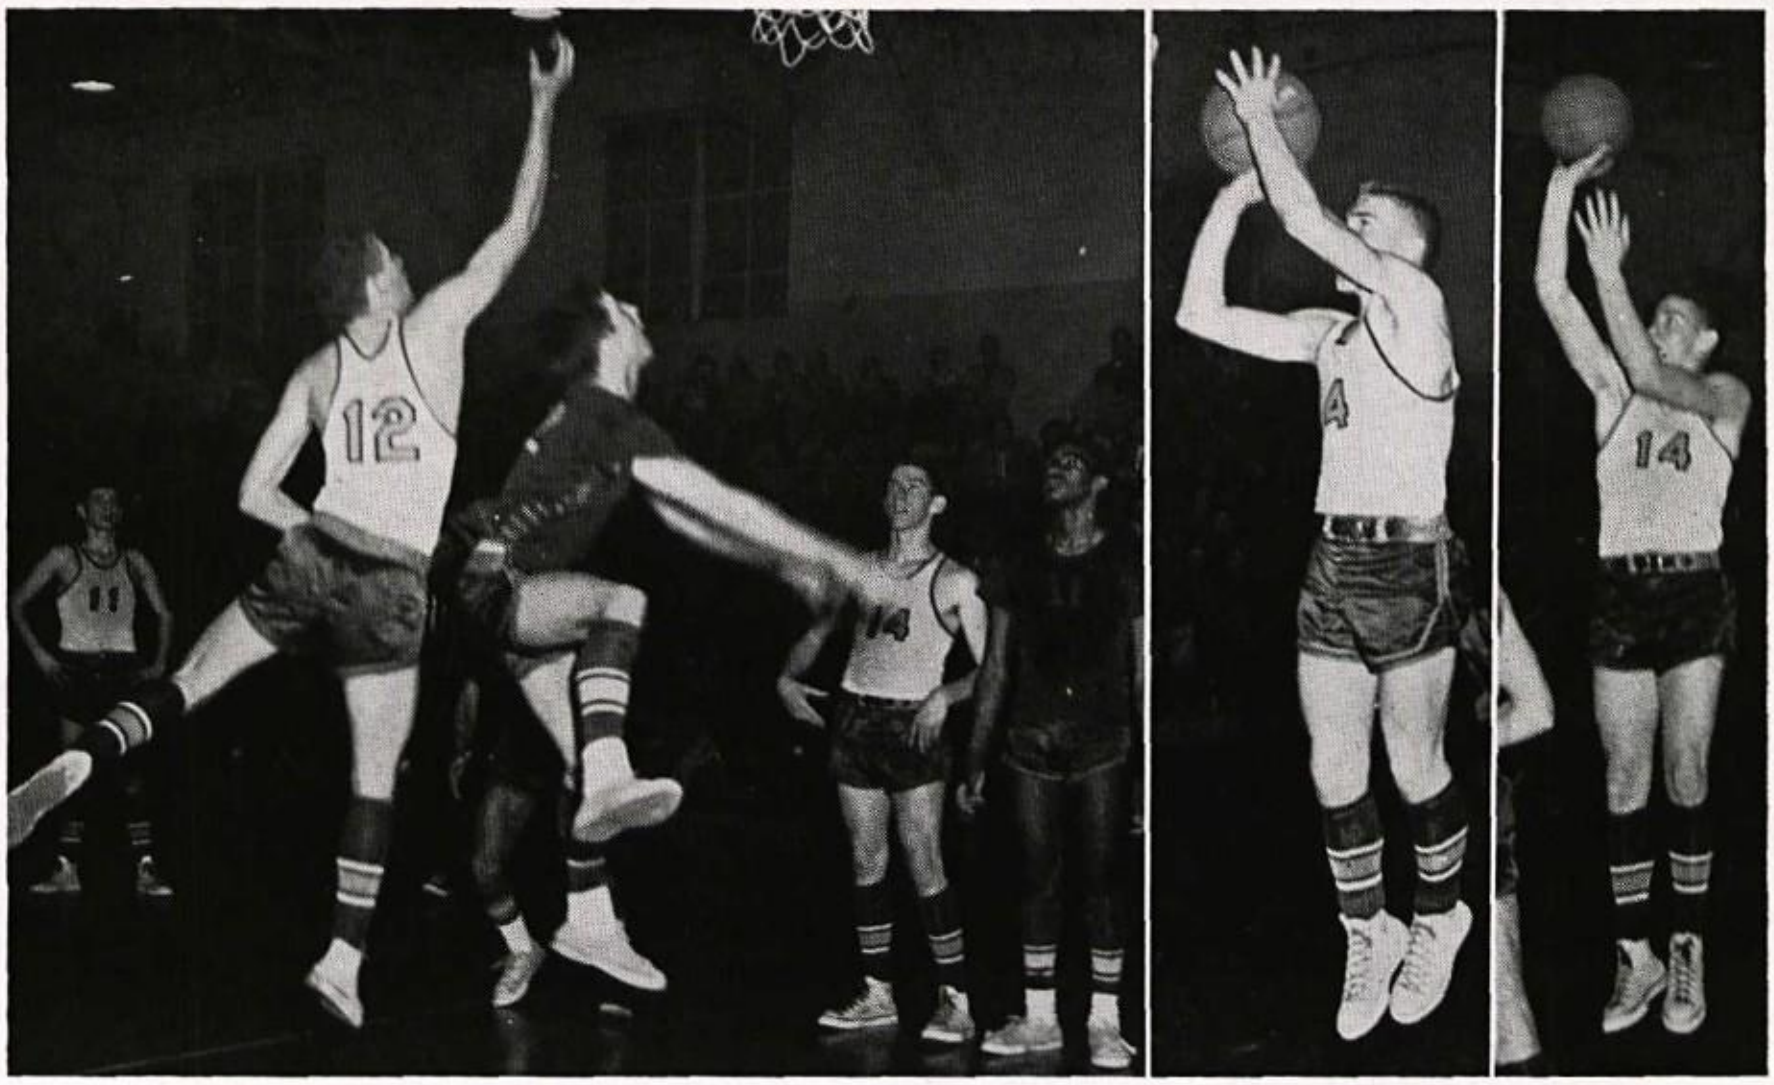




A rugged junior high is seen **left** in action as Robert Richmond (12) and Jim Adkins (21) "put the pressure" on an opponent. **Left center:** John Lewis gets position on a defender as he scores a two pointer. **Right center:** Robert Richmond (12) is fouled as he tries to get off a shot against Gauley Bridge defenders. **Right:** In Junior varsity action, Dale Dodrill fires a shot over a defender as Terry Fyock (20) moves in to rebound.

As Hardwoodmen Collect Victories

John Lewis (12) and an unidentified Mt. Hope player appear to be exhibiting a ballet routine as other Grizzlies, Donald Deitz (11) and Bernard Grose (14), seem to be unconcerned about the whole matter. **Center:** Guard Bill McIntire shows "perfect form" as he fires a jump shot. **Right:** "Like guard, like forward," proves forward Bernard Grose (14) as he collects a basket.



In playing the reed instruments it is
necessary to cause the air to vibrate. To achieve popularity
it is just as necessary to cause the school
to vibrate with character, scholarship, leadership, and service.
For many of us, the silvery moon sailed on to bring
fame and recognition for a job well done.

Salutatorian

Becoming valedictorian and salutatorian are the two highest honors which can be bestowed upon graduating seniors. The student with the highest average achieved during his four years of high school is named valedictorian while the person with the second highest average is the salutatorian. A student must have attended this high school for three years to be eligible.

"Although we had a nice time and swell food at Boys' State and Girls' State, I don't believe you gained over three ounces," Benny tells Shirley. **Kneeling:** Frank Murphy. **Standing:** Karen Dotson, Shirley Wagner, Benny Backus.

Outstanding Students Receive Honors

Donald Dietz and Lynda McDowell, **seated,** last year's local "Know Your State Government Day" representatives and Nancy Fennell, who attended from Seth High School, bring Mary Ann Summers and Dale Dodrill, **standing left,** this year's representatives, up to date on the activities of this occasion.

During each school year, an outstanding boy and girl from the junior class is chosen to represent the student body at the "Know Your State Government Day." This is held at Charleston and high schools from the entire state are represented.

Two boys and two girls are also selected to attend Boys' State and Girls' State each year, which is held each summer preceding their senior year of high school. This camp is held at Jackson's Mill.

Before a musical composition is possible, it must have an arranger. Because of our arrangers–advertisers– much of this is made possible. A beautiful campus, a successful yearbook–both are due to the help of our arrangers. It is no wonder the "Look Sharp March" is thought of when the campus is mentioned. Yes, it does look sharp.

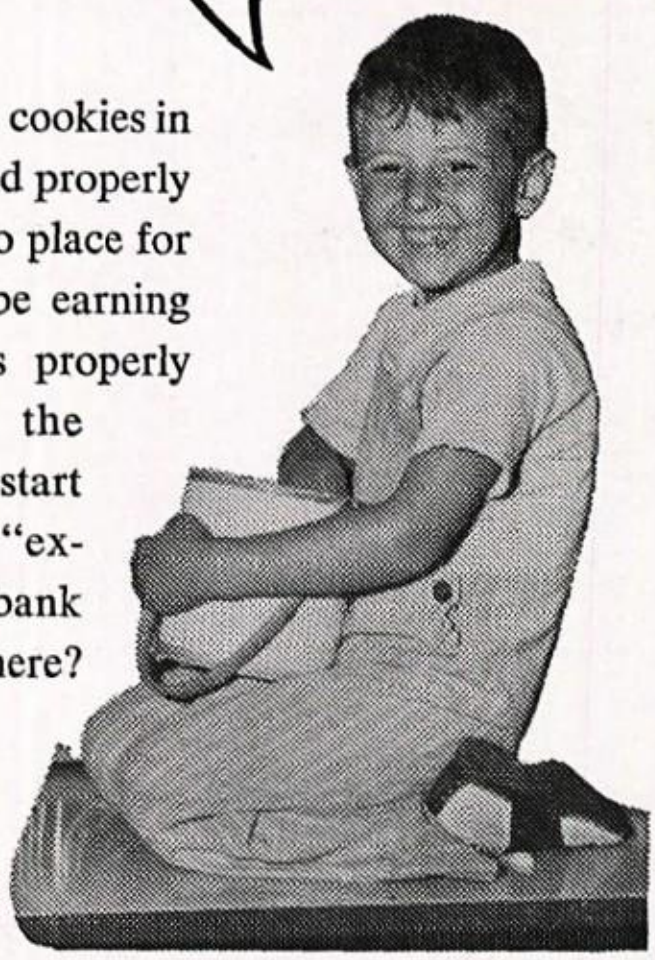
"HURRAY! I'M BACK IN BUSINESS!"



The cookie jar has cookies in it once again — and properly so. It's certainly no place for cash, which can be earning interest while it's properly safeguarded in the bank. Why not start depositing *your* "extra" money in a bank savings account here?

Building a Reputation . . .

. . . a reputation for integrity, for quality, and for service . . .

Yes, we want to build a **good** reputation for ourselves and for those who entrust their printing work to us . . . for we realize that their reputation is also partly built upon the quality of the printed pieces that they send out.

YOU'LL FIND OUR PLEDGE:

"to Serve You Better"

is our determination to continue — to the best of our ability — those factors which have built our reputation and made us the largest printing establishment, devoted entirely to commercial and industrial printing, in Southern West Virginia.

If you are not already one of our customers, then we invite you to give us an opportunity to handle your next printing requirement.

Best of luck to a swell guy.
Always,
Charline

Bucky, you're a real nice boy. We've had fun through the years. Remember grade school and when we used to watch wrestling at your house. A friend,
Lynda Beale

good times we have had through the years. Grade school, high school. Best of luck. Always, Carol

Best Wishes
Willie

Bucky.

As this book is finished, our world of music comes to an end. As the world of saddening as well as heart warming music goes into the past, we must face a new world of decisions, disappointments, successes, and failures. Memories of our wonderful days of our high school career will linger in our minds forever.

"Thanks For The Memories" goes to many more people than just the annual staff. We wish to thank our sponsors for their wonderful help and guidance and the faculty for their understandingness and co-operation in honoring our numerous requests. To Biggs-Johnston-Withrow, the Nichlosean printer, goes a big "thank you" for their wonderful co-operation in printing the annual. "Thanks" to Sayre Studio for their excellent senior portraits, underclass and group pictures and thanks to Mrs. Helen Drumm for her wonderful drawings used in our annual. A great big thank you goes to our patrons and advertisers who aided in our financial problems. "More than thanks" goes to Mrs. Kathryn Drennen who so patiently and willingly helped us solve our many problems, always ready to lend a helping hand. Last, but not least, thank you, the student body, for purchasing the Nichlosean and we sincerely hope you enjoy it.

Best of luck to a swell guy
